

# For County Assessor

If elected, I will give personal attention to the duties of the office. You will find me on the job all the time.

Under my administration the County Assessor's office will be an open book to the taxpayers. It is your office and you have the right to know how it is conducted.

I believe in tax laws that will give the little man a square deal. My slogan, which was printed after my name on the ballot in the spring primaries, was "Lift the Tax Burden from the Wage Earner and Home Owner."

I believe in economy in public expense, but not in parsimony. We cannot tax ourselves rich, but we can tax ourselves poor.

I believe that public officials owe the people a dollar's worth of service for each dollar of pay they receive. Such will be my policy in the County Assessor's office if I am elected on November 5th.

I am a taxpayer, and pay taxes on real and personal property.

I am opposed to Single Tax. It means confiscation of homes and farms.

## HENRY E. REED

Republican Nominee No. 161 on the Official Ballot

(Paid Adv.)

## Geo. Tazwell

Republican Candidate for  
**Circuit Judge**  
Department Number 4

Judge Tazwell's record in the Municipal court of Portland is such as to commend him to all right thinking men. He has brushed aside the cob webs of judicial procedure and put the standing of that court on a higher plane than it has ever been before. He has shown common sense in handling the multitude of cases that have come before him. Some of the candidates for this office have resided here but a short time and we know but little about them. Tazwell has lived here nearly 24 years. In public and private life his record is clean. He knows the wants of the people and is in sympathy with the laws which they have enacted. A vote for him means the enforcement and the proper interpretation of those laws. You take no chance when you vote for him for Circuit Judge, Dept. No. 4.
