

# Who Will You Vote for For Congress?

**I**F YOU want to be represented by a clean, capable business man, one who will do things, and knows how; one who does not make idle promises, never intended to be fulfilled, you will serve your district better by voting for Thos. McCusker, the Republican Candidate, who under the Primary Law goes on the ballot as Independent. The plea that you should have a Democrat in Congress on the assumption that we may have a Democratic president is folly. What you need is a Republican Congress to act as a check should a Democratic president by reason of inexperience or otherwise fail to do his duty. The people of the whole country are behind the president and he can always have any good measure passed, but it should not be in his power to force a bad measure through. This is food for thought, and you should consider it well as good citizens who want to do the best thing for your district.

# BOURNE

**The First People's Senator that ever sat in the United States Senate has Made Good as a Statesman.**

SENATOR LA FOLLETTE, IN HIS SPEECH AT PORTLAND, SAID:

"I want to say a word to you about your United States Senator. I have been warned. I have been told this may lose me some votes, but I am going to speak just the same. Jonathan Bourne stands today in every state in this Nation as the representative of popular government. He has carried the message of Oregon to almost every fireside of every home. In all the history of the state, Oregon has never been given the National reputation that Jonathan Bourne has given it since he has been your Senator.

"I understand there has been a good deal of criticism because he did not come home last summer. I happen to know what Bourne was doing, because I did not go home to Wisconsin myself, and remained in Washington to work. I want to tell you that any man who stays in Washington in the sticky summer months is sacrificing himself to a cause. Mr. Bourne stayed to work out the question of the parcels post. "He has not always voted as I have voted. He did not vote as I voted on the tariff bill."

WASHINGTON STATE GRANGE, Seattle, Wash., Oct. 12 1912. CITIZENS OF OREGON:—

We respectfully request of you, in the interests of the great movement for the initiative, referendum and recall, that you re-elect the Honorable Jonathan Bourne, Jr., United States Senator. He has rendered us such valuable assistance in this state of Washington, and has given the cause prominence in the United States Senate that all friends of a government "of the people, by the people and for the people," should vote and work for Senator Bourne to remain in the United States Senate, where he can do more effective work along the line for direct legislation and the recall than he could possibly do as a private citizen.

"His great speech, "Popular vs. Delegated Government," was not only a great aid to our cause, but was also a good advertisement for the state of Oregon. As Senator Bourne is a National character of great prominence, influence and usefulness, we hope that, for the sake of Oregon and our Nation, you will re-elect him to the United States Senate. Sincerely yours,

CHRISTOPHER W. HERR, Executive Secretary Direct Legislation League, State of Washington.

C. B. KEGLEY, Master Washington State Grange. (Paid Adv.)

## A Prohi's Appeal.

PORTLAND, Oct. 30.—Editor Outlook:—Of the four parties not opposing the liquor cause, not one dare to face a most important issue. But we are not ashamed of either of our candidates. If elected to office, be assured the Supreme Court will not be packed in the interests of the Liquor Trust, no cabinet officer will go to open a Brewer's Congress, and no ivory-encased Double-Eagles will be presented to a Millionaire Brewer. And, as in the days of Lincoln's election, and subsequent, if they, the allied liquor interests, secede from the Union, only provided they carry not away any but their hellish enterprise, will there be any attempt to coerce them and bring them back. For, don't you see, the whole thing is foreign to our Declaration of Independence, contrary to the Constitution, and subversive of our National prosperity.

Does any patriot and lover of his country, any citizen who esteems his nation's glory of more importance than a few paltry dollars blood-stained and gathered from the slums of our own disgrace—does any such not know how he is going to vote? Did you say "There are other questions which must be settled?" Tell me, please, of one that compares with this. Take the one which has been prominent for, lo, these many years. Take the Tariff. Reduce it to dollars, and tell me if you can, compared to the revenue of some \$350,000,000 per annum, under the tariff laws, how does it size up with that gigantic sum of \$5,000,000,000, according to the actual figures, two-fifths in money spent for drink, the balance in depreciation of labor capacity, in court expense, in asylum and poor-

house refugees, in idioy, in criminality, in National disgrace, and in all that blights and curses childhood, rising and unborn? Think of it, and then, how will you dare to go to the polls and vote for any man or any party which will continue this evil? Especially, if you be one who professes to acknowledge the claims of the Son of Man, how dare you face the Almighty, after having cast a ballot which crucifies the Son of God afresh? I cannot think you will.

BRUCE WOLVERTON, Candidate for Presidential Elector, Prohibition party.

## Important Meeting F. S. of E.

Next Saturday, Nov. 2, at 2 p.m. is the date for the regular meeting of the Gresham local of the Farmers' Society of Equity and inasmuch as these meetings have been much neglected during the summer it is very desirable that there should be a large attendance next Saturday. The meeting will be held in the Commercial hall.

H. F. Cutting of Portland, who is at work organizing Clackamas county where he has recently organized ten new local unions will be present. Mr. Cutting is an enthusiastic worker and we hope that a large crowd of Equity members will greet him. Come and bring your neighbors.

This meeting will be open to all farmers and we look for a splendid meeting.

This call is made by M. O. Nelson, president, and A. R. Lyman, secretary, Gresham Local Farmers' Society of Equity.

Is your husband cross? An irritable, fault-finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently cured of stomach trouble by taking Chamberlain's Tablets. For sale by Gresham Drug Co., and Dealers everywhere.

## REMEMBER THIS

Taft cannot be elected. Roosevelt can be elected. Wilson might be elected if the choice of a President was taken from the people and thrown into Congress. The election of Wilson means tampering with the incomes of the business man, the wage-earner and the farmer. It is up to every American to defend his income, upon which always depends his outgo.

THE ONLY WAY FOR THE AMERICAN VOTER TO DEFEND HIS INCOME IS TO PREVENT THE ELECTION OF WILSON BY VOTING FOR
