BORING SCHOOL HAS ENTERTAINMENT

BORING, Nov. 18—Friday evening in the Live Wire hall the school program and social was given. The people showed their interest in the school by filling the hall and generously applauding each number on the program. Their approval of the purpose for which the proceeds are to be used is shown by the fact that the average price of the baskets was about a dollar. Forty-eight dollars and forty cents were cleared. This money is to be used to buy curtains and pictures for each of the three rooms. If there is anything more to be used, then the primary room is to have a sand table and as many other things essential to the happiness of the children as possible. The surplus in the upper grades is to go toward the furnishing of the library. At least a table and chairs are necessary that it may be used as a reading room.

The program opened with the singing of America by the entire audience.

The recitation by Myrtle Dodd, "Towser Must be Tied Tonight," was a semi-humorous selection written in the same meter as "Curfew Must not Ring Tonight."

Mildred, Frank and Edwin Siefert sang a song that was especially enjoyed as was also the encore by Mildred and Frank. Orrie Hickey gave a Thanksgiving recitation. The Shaking Quakers was an action song by six girls and one boy dressed to represent Quakers. Fleeta Turner, dressed as a grown woman, made a call on Ruby Dodd, similarly dressed. They gossiped, flattered each other and did other things women are supposed to do quite naturally.

Mildred Foster and Viola Frank sang a duet accompanied on the violin by LeRoy Frank. They were called back for an encore. Following this Alice Oleson and Madge DeFord each gave a recitation. The flag drill, "Our Colors," was given by six girls and six boys from the upper grades.

A Thanksgiving dialogue by the fifth grade girls was followed by a Doll song from the fourth grade girls.

Cora Frank's recitation concerning an accident to herself and her doll was given very realistically. After Doris Dodd's recitation of the third and fourth grade boys did good work in an Indian drill entitled "John Brown's Ten Little Indians."

The upper grades presented a series of tableaux after a recitation by Louie Maulding and a song by the fifth grade girls. The tableaux most enjoyed by the audience were The Flower (flour) of the Family, The Bridal (bride) scene and an essay (S. A.) on Longfellow.

The class yell which was as follows, concluded the program: One-a-zip! Two-a-zip! Three-a-zip! zar!

Are we from Boring? Well I guess we are!
 Besides those who were actually on the program Bruce Stone, Fred Decker, Andrew Hedermann and Albert Johnston did much to make the evening a success. Thanks are due to Mr. Boring who auctioned the baskets off and to Mr. Siefert who acted as secretary during the sale of the baskets.

The Jarvey boys have transferred from this school as their parents have moved.
