## GRESHAM LOCALS

Thursday, Jan. 16, will be Tag Day for the Home Missionary society of the M. E. church. Let everyone buy a tag, as the proceeds go to aid the poor of our country. The society has pledged a certain amount for the aid of the Old People's Home at Salem, and the new Industrial Home at Portland. Price of the tags will be 10 cents and will be sold by the members. All are urged to buy and help this good cause.

W. E. Dabney, who returned a week or two ago from Weiser, Idaho, where he has been at work for the past few months, has decided to remain here. Work with his nursery stock will begin about March 1. Mrs. Dabney will join him soon.

Miss Susie Stanley has resigned her position as stenographer with Crane & Co., Portland, and will remain at home for awhile, taking a needed vacation.

Grandpa G. W. Landon passed his 89th birthday on Saturday last at the home of his daughter, Mrs. Ed. Spath.

Miss Mamie Carnine, a trained nurse of Denver, Colorado, came today to make an extended visit in the home of Mr. and Mrs. W. R. Biddle. Miss Carnine is Mrs. Biddle's cousin.

The annual stockholders' meetings of the Bank of Gresham and of the First State Bank are being held today. All banks in the state are required to hold meetings this day.

The Missionary meeting held at the home of Mrs. Alva Hevel, Jan. 8th, was well attended. Several reports were given, leaflets were read, and the new book for the year was taken up. It was decided to have Jan. 16 as Tag Day for the society. Two new members were received, and at the close a very nice lunch was served.

The special meetings at the Methodist church are continuing this week each evening at 7:45 except Saturday.

The Outlook reporter, in his reference in last issue to the Pastime Club's series of invitation dnaces, did not mean to imply that if anyone was not invited it was to be inferred that he was objectionable. The number of invitations is necessarily limited and of course will have to omit many who would not be objectionable in the least.

Hessel & Son recently installed a gasoline engine for A. E. DeHaven at Seaside, to furnish power for a feed mill. It is giving the best satisfaction and is only one of a full line of such engines sold by Gresham's leading implement house.

Lloyd Tegart, one of the Washington high all-star football players, will go to Corvallis, where he will be given a prominent place in athletics so as to qualify for next year's sports.

Mr. and Mrs. Lewis Shattuck entertained a gathering of intimate friends on Friday evening last, to the number of 33, with cards and refreshments.

C. W. Albertson and family are packing up this week preparatory to leaving the farm southwest of town where they have lived for the past three or four years. They will move to Parma, Idaho, where Mr. Albertson's father lives and where they both have an interest in farm lands. They expect to work together in general farming. Mrs. Brande, Mrs. Albertson's mother, who has made her home here for some time, will make her future home in Portland with her son.

Don't forget to feed the birds these stormy days. A few crumbs will be gratefully appreciated by them.

A petition has been circulated along the Mount Hood railway asking for a return to an early morning schedule by putting on a train to leave Gresham for Montavilla at 6:45 a. m. The first train down now is too late for working people. The change would probably necessitate an entire readjustment of the schedule, but it would be more convenient to a great many who have to get into Portland early in the morning.

An important meeting of the Ladies' Aid society will be held Wednesday, Jan. 15, at the home of Mrs. F. W. Fieldhouse.

W. J. Wirtz of Sandy was spending a short time in Gresham with his family this week.

Friday, the 10th was Grandma Culy's birthday. Old friends and neighbors called in to see her. She is hale and hearty at 88 and we trust will see many more happy birthdays. She has the distinction of being the oldest lady in this part of the county.

Mrs. Mills has set her incubator, and in due season will be ready to furnish the market with 75 cent chickens.

## Drives Off a Terror.

The chief excutioner of death in the winter and spring months is pneumonia. Its advance agents are colds and grip. In any attack by one of these maladies no time should be lost in taking the best medicine obtainable to drive it off. Countless thousands have found this to be Dr. King's New Discovery. "My husband believes it has kept him from having pneumonia three or four times," writes Mrs. George W. Place, Rawsonville, Vt., "and for coughs, colds and croup we have never found its equal." Guaranteed for all bronchial affections. Price 50 cts. and \$1.00 Trial bottle free at all Druggists.
