No Admission Fee.

Rockwood grange is growing again after a short period of inaction. At the meeting held on Saturday two new members were taken in by card and six names were announced for initiation. It was decided to admit new members during the present quarter without any charge for initiation fees. This action was taken for the purpose of admitting a lot of young people who desire to join the grange for the purpose of forming a literary society in that neighborhood. Committees were appointed to take charge of the next dance, on Saturday evening, Feb. 1, and it was decided to give a masquerade on Feb. 22. Reports of the retiring officers showed that the grange had just closed a most prosperous year and an effort will be made to make the coming year more profitable in every way than any of the past.

It suited my case as though made just for me." For dyspepsia, indigestion, jaundice, and to rid the system of kidney poisons that cause rheumatism, Electric Bitters have no superior. Try them. Every bottle is guaranteed to satisfy. Only 50 cents at all Druggists.
