Notes of Gresham Library

The February magazines are replete with interesting articles. The Outing has one on Conquering Mt. McKinley, by Snowshoe and dog sledge through the Alaska lowlands, written by Belmore Browne. It is interestingly narrated and well illustrated. For those interested in photography we have the Art Problem in outdoor photography, with suggestions as to how to secure the different effects. The Sunset "Why go Abroad?" by Agnes Lant, will furnish a few moments of pleasant reading. Articles in the Ladies' Home Journal on what women's clubs are doing is very suggestive for club workers. Misses Tarbell and Addams have given very good, but brief articles on woman's part in the world. The month's reminder of the Garden magazine have data of use. The "Get together month;" "One vital outdoor task;" "Some general pointers;" "Starting things going;" "Ten rules for hot-bed care;" "Making the catalogues help;" "More and better lettuce for all."

Could Shout for Joy. "I want to thank you from the bottom of my heart," wrote C. B. Rader of Lewisburg, W. Va., "for the wonderful double benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though made just for me." For dyspepsia, indigestion, jaundice, and to rid the system of kidney poisons that cause rheumatism, Electric Bitters have no superior. Try them. Every bottle is guaranteed to satisfy. Only 50 cents at all Druggists.

Back to the Farm. From the Oregon City Courier it is learned that Representative F. M. Gill of Estacada, is going back to Wasco county, cut out school teaching, and tackle the simple life. The paper states his father has deeded him a 200 acre farm there, and if there is a legislator at Salem who would not quit his job and his county if given a 200 acre farm, he must have some joker bills in prospect that will pay pretty well. It is an even chance, though, that Mr. Gill will stick to politics and the grange for he is pretty good in both.

Outlook Special Offer. New subscriptions — three full months, 25c in advance. Stop at expiration unless renewed. Offer good until Washington's birthday, Feb. 22. 25 issues, 25c.

Be sure to get a cup of Dependable coffee at Shattuck's all day Thursday.

Man who killed 30 Apaches and got 14 bullets in his body in 1864, is just dead, aged 81. He always had a blood-curdling story for the kids.

Foils a Foul Plot. When a shameful plot exists between liver and bowels to cause distress by refusing to act, take Dr. King's New Life Pills, and end such abuse of your system. They gently compel right action of stomach, liver and bowels, and restore your health and all good feelings. 25c at all Druggists.

SAFETY COSTS BUT A TRIFLE

You need absolute protection more than you need your daily paper—it costs you LESS.

A box in our SAFE DEPOSIT VAULT affords perfect security for heirlooms, bonds, insurance policies, Abstracts of Title, Certificates of Title, Deeds, Notes and Mortgages, etc.

Such valuables are seldom recovered if lost by theft—if lost by fire NEVER. Better have them where you can place your hands on them quickly. Private room for your accommodation.

Oldest Bank in the County, outside the City of Portland.

Big Springwater Ranch. Lawrence Bros. of Portland, owners of the Portland Laundry and interested in the Estacada country, have added to their 160 acre ranch in Springwater by the purchase of the ranch of Henry Raymond of 160 acres. Mr. Raymond closed the deal with them last week and is now at Portland. The consideration is not announced. Lawrence Bros. have been making big improvements on their ranch and S. W. Lawrence one of the firm, stated that more would be made now that they acquired the Raymond ranch. They will engage extensively in general farming and stock raising, paying special attention to blooded animals.—Estacada Progress.

Mrs. A. R. Tabor, of Crider, Mo., had been troubled with sick headache for about five years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they have cured her. Sick headache is caused by a disordered stomach for which these tablets are especially intended. Try them, get well and stay well. Sold by Gresham Drug Co., and Dealers everywhere.
