ELECTRIC SERVICE

FOR THE

MT. HOOD LINE

As the result of the electrification of the first section—from Montavilla to Gresham—of the Mt. Hood division of P. R. L. & P. Co.'s interurban lines a new train schedule will be established to become effective upon Sunday, March 9.

Electric cars will be run via Ruby Junction from Troutdale to Montavilla, where connections can be made with the city streetcar lines. Nine trains will be run over this route week days, leaving—

Montavilla at *6:30, 7:30, 8:50 a. m., and 12:50, 2:50, 4:50, 5:50 and 6:50 p. m., and arriving at Troutdale via Ruby Junction, at *7:00, 8:00, 9:20, 11:20 a. m., and 1:20, 3:20, 6:20 and 7:20 p. m.

Passengers leaving Troutdale at *5:20, 9:20, 11:20 a. m. and 1:20, 2:30 and 7:30 p. m. can go to Portland via Linneman Junction over the O. W. P. route.

With the change of train service upon the Mt. Hood division passengers desiring to reach points between Ruby Junction and Bull Run should take the Estacada car at First and Alder at 11:45 a. m., and 4:45 p. m. on week days and 7:45 and 11:45 a. m. and 3:45 p. m. on Sundays, as there is no through service via Montavilla as heretofore.

Portland passengers for points between Montavilla (Mt. Hood depot) and Troutdale, via Ruby Junction, should take the Montavilla city cars, which leave Third and Yamhill streets, Portland, every ten minutes, allowing 50 minutes to get to the Mt. Hood depot at Montavilla.

*Except Sundays.

YOUR SAVINGS EARN INTEREST

SOME POINTS

There are some points about the "SAVINGS BANK WAY" that are often overlooked.

You can always invest small odd amounts at interest and you can invest them at once.

You don't have to wait until you get an even Hundred or Five Hundred as the case may be. You can earn compound interest while accumulating your investment fund.

Your interest return is certain and can be added immediately to your principal and begin to earn more interest.

A savings account at this bank is always a cash asset—does not have to be turned into money, it is money.
