A PLEASANT SURPRISE FOR MRS. THOREN

The neighbors and friends of Mr. and Mrs. O. Thoren gathered at their home on Cleveland avenue, Saturday evening, March 15, to celebrate Mrs. Thoren's 25th birthday. Music was furnished for the evening by Oto Mangueson, violinist and Mrs. Joseph Mangueson playing the guitar and singing a number of solos. A lunch was served at 10 o'clock, after which the fifth chapter of 2d Corinthians was read and a prayer offered by Rev. F. M. Burch. Mrs. Thoren gave a nice talk after which several followed with a testimony making it a real love feast for all present.

The following guests enjoyed the hospitality for which Mr. and Mrs. Thoren are so renowned: Mr. and Magnuson, Mr. and Mrs. C. H. Lane, Mr. and Mrs. Joseph Magnuson, Mr. and Mrs. C. A. Hill and children, Mr. and Mrs. F. M. Burch, Mr. and Mrs. A. W. Cook, Mrs. Shoemaker, Mrs. Roy Gibbs, Mrs. Aton, Mrs. E. Davidson, Mrs. J. C. Peterson and children, Mr. Otto Magnuson and sister, Miss Ester. All departed at a late hour wishing Mrs. Thoren the return of many more happy birthdays.

Trying to Start a Bank.

Efforts are being made to establish a bank at Montavilla by several prominent men of Portland, and they are endeavoring to interest a number of people from this part of the county to become stockholders. It is reported that A. C. Ruby is one of the promoters and that the company is trying to raise \$20,000 of the capital stock among the farmers and dairymen of Eastern Multnomah. In view of the recent suspension of the Bank of Troutdale there is said to be some difficulty ahead of the promoters in raising the sum needed, but a good bank at Montavilla is probably needed and might easily become a strong financial institution.

YOUR SAVINGS EARN INTEREST

SOME POINTS

There are some points about the "SAVINGS BANK WAY" that are often overlooked.

You can always invest small odd amounts at interest and you can invest them at once.

You don't have to wait until you get an even Hundred or Five Hundred as the case may be. You can earn compound interest while accumulating your investment fund.

Your interest return is certain and can be added immediately to your principal and begin to earn more interest.

A savings account at this bank is always a cash asset—does not have to be turned into money, it is money.
