### Sandy

J. W. Howard, clerk of the school board, reports that the state tax allowed in this district this year for school purposes amounts to \$5 per pupil. One hundred and fourteen pupils are enrolled at present. Much interest was manifested at the recent meeting of the city council, which held a special session to discuss the cattle ordinance. Members of the council met the ob-

jection by showing that the running of cattle at large proved a detriment to the town; they also referred to the present county herd laws, and voiced the experiences of other towns, when ordinances of a similar nature were enforced.

In a test of the Oregon creameries the Mt. Hood brand of butter stood the highest. Our creamery certainly proves a credit to Sandy, when it churns 3000 pounds of the best butter made in Oregon.
