"The Linotype Way is the Way that Wins."

Official paper of the Town of Gresham, Oregon.
Official paper of the Town of Fairview, Oregon.

Entered as second-class matter March 3, 1911, at the postoffice at Gresham, Oregon, under the act of March 3, 1879.

TO OUR CORRESPONDENTS.

The Outlook is proud of its correspondent force in the various communities surrounding Gresham, and is glad to call especial attention to the line of news sent us and printed in each succeeding issue. Last week's mail brought us so many news items of real merit from so many different places that we had great difficulty in deciding what to leave out temporarily, owing to the limited space at our command.

A perusal of the correspondence in Tuesday's paper will reveal the quality of our news service which is getting better all the time, and we regret that some of it could not be published while it was still fresh. Those who were apparently slighted should not feel that their neighborhoods were overlooked intentionally or that their efforts are not appreciated. We want all the news, and nothing is too insignificant for the Outlook to publish.

Hereafter we will endeavor to keep up with our writers and sincerely hope that none of them will quit us because of any delinquency on our part.

The stamped envelope factory at Dayton, Ohio, which was closed for a brief time on account of its flood, has resumed operations. Railroad transportation out of Dayton is not yet normal, and some delay in filling requisitions may be expected at first, but shipments will be caught up as soon as possible.

The Oregon State Bankers' association is conferring with representatives of German colonies who are looking for available tracts of land upon which to colonize 3,500 German farmers. Tracts in different parts of the state are now being looked over with a view to purchase.

David Starr Jordan, president of Leland Stanford University, has discovered a new variety of fish in coast streams of this state, naming it "Antherinops Oregonia." It resembles the smelt, but is larger. It has never been properly classified before, being called a variety of smelt.

The case of the Co-operative Supply Co., vs. H. T. and F. E. Mellien, pending in Judge Campbell's court at Oregon City, of which an extended account was given last Friday, has been postponed from May 2, to May 7.

Noted Speaker at Pleasant Home. Mrs. Ada Wallace-Unruh, state president of the W. C. T. U., will speak at the Methodist church at Pleasant Home Sunday, May 4 at 11 a. m. Everybody invited.

Visitors' Day, which it was intended to hold this spring at the O. A. C., has been postponed until next year on account of other excursions already scheduled.

Where is Gresham's baseball team? The game is going to wake up after awhile but all the other towns will get the Sunday crowds. And while we think of it: what has become of that crossroads league spoken of a few weeks ago?

Portlands' "Big Sisterhood" invites the co-operation of all people for the protection of girls coming to the city. A note to the "Big Sisterhood" will insure assistance and care of an institution that has been organized to extend help to girls and women who may need it.
