Fairview

FAIRVIEW, May 1—The first
fire in Fairview occurring since the
organizing of the fire company some
two or three weeks ago, occurred
last Wednesday evening about 8
o'clock when the citizens were start-
led by an alarm being turned in
from the Smith Memorial church.
The fire was in an old building
on the Luscher farm at the foot of
the Fairview hill. This was one of
the oldest landmarks in our com-
munity. It was used by tramps and no
doubt was set fire by them. The
company was quick to respond to the
call. Captain C. H. Stone handled
his men well but before the boys
could reach the fire it was seen
that nothing could save the building
as the flames had broken through
the roof and the south wall was
burned in several places, there
being no doors or windows the open-
ings gave such a draft that the
building was a roaring furnace in-
side. The building fell in, in twenty
minutes after the alarm was
sounded. The boys had a run of
a quarter of a mile and down the
Fairview hill. They found it ex-
ceedingly hard to prevent the en-
gine from getting away from them.
It was also required to make an ex-
tra run of 400 yards through mud
to reach a point to handle the fire
best. The boys knew they could
do nothing to save the building but
as the entire town had turned out
as well as some of the nearby
neighbors to watch the fight they
fought as hard for this old shack as
if it had been a \$15,000 mansion
and cheers and praise rent the air.
For the first time the boys did ex-
ceedingly well and fear no fire if
given just half a chance. The com-
pany feel very thankful to C. E.
Cree for the kindness of hitching
the engine to his auto and pulling
it up the hill after the fire as the
boys were quite worn out and this
piece of kindness will not be for-
gotten.
