The Best Light
 AT THE LOWEST COST
 ELECTRIC LIGHT is the most suitable for homes, offices, shops and other places needing light.
 ELECTRICITY can be used in any quantity, large or small, thereby furnishing any required amount of light. Furthermore,
 ELECTRIC LAMPS can be located in any place, thus affording any desired distribution of light.
 NO OTHER LAMPS possess these qualifications; therefore, it is not surprising that
 ELECTRIC LAMPS are rapidly replacing all others in modern establishments.
