### Fourth Class Postmaster Examination.

The United States Civil Service Commission announces that on Saturday, June 28, an examination will be held at Boring as a result of which it is expected to make certification to fill a contemplated vacancy in the fourth class postoffice at Cazadero and other vacancies as they may occur at that office, unless it shall be decided in the interests of the service to fill the vacancy by reinstatement. The compensation of the postmaster at this office was \$250.00 for the last fiscal year.

Age limit, 21 years and over on the date of the examination with the exception that in a state where women are declared by statute to be of full age for all purposes at 18 years, women 18 years of age on the date of the examination will be admitted.

Applicants must reside within the territory supplied by the postoffice for which the examination is announced.

The examination is open to all citizens of the United States who can comply with the requirements.

Application forms and full information concerning the requirements of the examination can be secured from the postmaster at Cazadero or from the U. S. Civil Service Commission, Washington, D. C.

Applications should be properly executed and filed with the Commission at Washington at least seven days before the date of the examination, otherwise it may be impracticable to examine the applicants.

## A Bank for Women and Children

This Bank is primarily for all people, rich or poor, and we are always glad to handle the accounts of women and children. A household account will put system into a woman's affairs and show her the leaks in the pocketbook and which she will want to stop. The working woman is especially in need of a banking connection; it keeps her funds safely and gives her the business advice of her banker. Don't be backward about coming to our bank—hundreds of other women do, and say it seems quite "homey". Start an account for the little folks; it'll mean an education or business starter later.
