Light**

**AT THE LOWEST COST**

ELECTRIC LIGHT is the most  
suitable for homes, offices, shops  
and other places needing light.

ELECTRICITY can be used in  
any quantity, large or small,  
thereby furnishing any required  
amount of light. Furthermore,

ELECTRIC LAMPS can be located  
in any place, thus affording  
any desired distribution of light.

NO OTHER LAMPS possess these  
qualifications; therefore, it is  
not surprising that

ELECTRIC LAMPS are rapidly  
replacing all others in modern  
establishments.

**POMONA GRANGE WILL MEET NEXT WEDNESDAY**

Multnomah County Pomona grange will meet with Fairview grange next Wednesday in an all-day session. The meeting will be held in the schoolhouse where the grange has the use of one of the rooms for its regular sessions.

This will be the first meeting since installation of Pomona's new officers, T. J. Kreuder being the master, but he has the work well in hand and will have the earnest support of all the other officers and members.

It is very likely that some important measures will be up for discussion and that there will be a good-sized class for initiation in the fifth degree. In any event the occasion will be a good one with a full share of sociability and plenty to eat.
