## The Best Light

### AT THE LOWEST COST

ELECTRIC LIGHT is the most  
suitable for homes, offices, shops  
and other places needing light.

ELECTRICITY can be used in  
any quantity, large or small,  
thereby furnishing any required  
amount of light. Furthermore,

ELECTRIC LAMPS can be located  
in any place, thus affording  
any desired distribution of light.

NO OTHER LAMPS possess these  
qualifications; therefore, it is  
not surprising that

ELECTRIC LAMPS are rapidly  
replacing all others in modern  
establishments.

## JENNE STATIONITES ARE WELL FAVORED

Everything's a humming and pop-  
ping and sizzling 'round Jenne sta-  
tion since the rain on last Friday  
and the splendid downpour of Sat-  
urday. Crops have responded in  
that magical way known only to  
Jenne stationites. We are about  
having the busiest time in the his-  
tory of Jenne station. For a suc-  
cess of a splendid crop the promise  
was never brighter. Fields are  
looking fine as silk and livestock  
fat as a Roman candle. There is a  
mighty friendly feeling between  
everybody and everybody else, and  
altogether "everything's lovely and  
the goose hangs high."

After a month's vacation on the  
Springhill farm, James J. Dyer, the  
famous stew-pan Jim, is again on  
the hunt for a new pasturing place.  
Having used his auto quite rough  
during the past few months, J. M.  
Mann has decided to have it spruced  
up a bit and will have to use the  
pay-as-you-enter as a means of loco-  
motion to and from Jenne station.

Mr. Brown made a business trip to  
Portland last week. Having a little  
time to spare before returning, he  
took a few glimpses at the Rose  
show and says it was splendid.

Mrs. Josephine Regal, proprietress  
of the Way-Side Inn reports of hav-  
ing done an excellent business dur-  
ing the last and part of this month.  
Mrs. Regal says, strawberry short  
cake with real cream has been the  
main attraction the last few weeks.

Levi Oppenheimer, of Cedarville,  
walked through Jenne station, tak-  
ing a glimpse of things last Sunday  
and says he is well pleased with the  
town-to-be.

T. S. McDaniels and family have  
moved to their newly erected home  
and are considering it quite a treat  
to be away from the noise and dust  
of the town.

E. S. Jenna expects to start hay-  
ing the latter part of the week. Mr.  
Jenna says he will try his luck be-  
fore the 4th this year.

Frank Gillgrist paid a visit to  
the Springhill farm last Sunday  
and had quite a chat with the "Irish-  
man" in regard to improvements in  
general. Mr. Gillgrist is a head-  
liner in the Pleasant Valley Push  
club and the Jenne station Improve-  
ment club.

A few hints of Mr. Gillgrist's way  
of seeing and doing things may be  
well to mention here. Do you take  
pride in your town or village? In  
speaking of it and working for it,  
do you say "our town?" When you  
say "our town" the expression has a  
different meaning from what it does  
when you say "the town," "this  
town," or "your town." \*Practice  
saying "our town" until you can  
give it a musical and attractive  
sound that is confidence inspiring  
and means the true loyalty of a cit-  
izen or neighbor, the same holds  
good in a neighborhood. There's a  
difference placed on the meaning of  
words by the tone in which they  
are expressed. Some people can  
say "come in" in a tone that means  
"stay out". Then again, when a  
man gets to thinking he is better  
than other men it is almost infallible  
sign that he is below par. Ten to  
one his barometer is cloudy. Great  
men and great women make a great  
nation. Get in and do your part.  
Be something instead of only seem-  
ing to be. As Mr. Gillgrist has it,  
"A dead fish may float down stream,  
but it takes a live fish to swim up  
stream." Do you travel with the  
current or against it?

Everyone that leads others to  
read and keep up with progress is a  
true benefactor to man. Only those  
who keep up with the world pro-  
gress can hope to hold their own in  
the struggle of life. Let us induce  
others to keep up with the pro-  
cession.

Walter Metzler has completed his  
new guinea pig house. The house  
is large enough to hold 1500 of the  
little fellows. Owing to an increase  
for the demand of them has made it  
necessary for more space of breeding  
same.

Most Children Have Worms.  
Many mothers think their chil-  
dren are suffering from indigestion,  
headache, nervousness, weakness,  
costiveness, when they are victims,  
of that most common of all chil-  
dren's ailments—worms. Peevish,  
ill-tempered, fretful children, who  
toss and grind their teeth, with bad  
breath and colicky pains, have all  
the symptoms of having worms, and  
should be given Kickapoo, Worm  
Killer, a pleasant candy lozenge,  
which expels worms, regulates the  
bowels, tones up the system, and  
makes children well and happy.  
Kickapoo Worm Killer is guaranteed  
All Druggists, or by mail. Price 25c.

adelphia and St. Louis.

## Boring

BORING, June 16—The game  
played between Boring and Sandy  
was good. The score was 19 to 5 in  
favor of Boring and it was only an  
eight inning game. Several of the  
Gresham boys aided Boring. There  
was a good crowd present and the  
"Boring baseball boosters" were  
present with enthusiastic yells.

Mr. Frances will preach at the  
M. E. church Sunday, June 22, at  
11 o'clock.

Claude Danielson, Miss Gladys  
Danielson and George Reed, all of  
Corvallis, spent the first of the  
week at the home of John Meyer  
of Boring.

The rain was enjoyed by all farm-  
ers because of the advantage to  
crops.

Mr. and Mrs. Robert Lansdowne  
will move to Pleasant Home to  
the Martin Lennartz farm.

## Scenic

Mrs. B. C. Altman and son Dale  
left Sunday evening for a two  
weeks' visit at Long Beach guests  
of Mrs. G. E. Jamison.

Mrs. Zogg and daughters Ursa and  
Barbara, of Montavilla, were Sunday  
guests of Mrs. Duncan.

Mrs. Gust Carlson spent the week  
in Portland enjoying the rose festi-  
val.

Mr. and Mrs. Wm. Beyers return-  
ed from Neilsville, Wis., where they  
enjoyed a two months' visit with  
their children and friends, but glad  
to return to Oregon.

Mr. and Mrs. Duncan visited San-  
dy Ridge a couple of days last week.  
Mr. and Mrs. John Strauss were  
among those who attended the rose  
show from Scenic.

Mrs. D. D. Jack left this morning  
for Newberg where she will attend  
the G. A. R. encampment.

Mr. and Mrs. Frank Eder were  
guests of their son Phil during the  
past week.

Mr. and Mrs. Helmer Johnson were  
guests of Mr. and Mrs. DeHaven  
Sunday.

Mr. DeHaven has treated his bun-  
galo to a coat of paint which adds  
greatly to its already neat appear-  
ance.

Miss Alma Beyers is greatly im-  
proved since her visit to the hos-  
pital.

During the hour of waiting for  
the car after the baseball game,  
Mr. DeHaven were given a musical  
treat by the St. Mary's boys,  
one of whom played the piano, the  
rest singing. This favor was ap-  
preciated very much.

## Cottrell

Mrs. Silbaugh gave a very inter-  
esting lecture at the Baptist church  
last Sunday evening.

About fifty people attended the  
electric parade in Portland last  
Saturday evening.

Those going from Cottrell, Scenic,  
Pleasant Home, Orient and Gillis  
on the special trains can boast of  
the first ride on the electric pas-  
senger train on the Mt. Hood road.

David Wolf, mail carrier on R. F.  
D. 1, from Boring is visiting his  
wife and daughter at Philomath.

Miss Cassie McPherson and C. G.  
Schneider of Portland spent Sunday  
with Mrs. Ella Schneider.

It is now well known that not  
more than one case of rheumatism  
in ten requires any internal treat-  
ment whatever. All that is needed  
is a free application of Chamberlain's  
Liniment and massaging the parts at  
each application. Try it and see  
how quickly it will relieve the pain  
and soreness. Sold by Gresham  
Drug Co., and Dealers everywhere.

## Laurel Steel Ranges

The largest part of a woman's  
duties are performed in the kitchen.  
If this room is well appointed her  
work becomes a source of enjoy-  
ment.

The selection of a right range is  
an all important point. A Laurel  
Steel Range will complete the ar-  
rangements of an otherwise "up-  
to-date" kitchen, and be a comfort  
and a joy to the user.

### "Something Different and Something Better"

is our claim. That Laurel Steel Ranges  
have all the features of other ranges  
is easily proven. Laurel Patented  
Features in addition—make the differ-  
ence and confirm our assertions of superiority.  
These special features are too numer-  
ous to be all mentioned.

The Laurel Two-Flue Construction  
The Laurel Quick Heating Reservoir  
are two.

Let us explain all the merit points of  
Laurel Steel Ranges to you. We will be  
glad to see you at any time.

Economy looks like an up-hill game when  
you first begin, and sometimes it is an up-  
hill game. But it is the ROAD TO  
PROSPERITY, and if you can persevere in  
your small economies, You will find this out.  
Your extravagance does not draw interest  
If you put that money in a savings ac-
