## TIME PIECE MEETS DEFEAT

Continued from page 1.

next three innings were marked up in circles for both sides.

Features of the game were three double plays by the Sun Dials and one by the Bradfords. Bleg's home run only netted one tally as there were no men on the bases. Townsend, who is usually good for a run and seldom fails to make a base when his turn at the bat comes, went down four times. He seemed to pitch good ball and struck out eleven of his opponents, while Moreland of the visitors only got eight of the Sun Dials. Each of them walked two men. Not a sacrifice was made by either side during the game.

A neat double play in the eighth by Heslin might have been a tripple had the third baseman been at home. As it was the next man up was put out and no run was scored.

Following was the line-up:  
Sun Dials Position Bradfords  
Townsend . . . . . p . . . . . Moreland  
Heltsman . . . . . c . . . . . Bleg

Sun Dials . . . 0 0 0 1 0 0 0 0 0—1  
Umpire—Ed. Heslin and H. Severs.

Time of game, one hour and 40 minutes.

The Sun Dials are preparing for a big string of good games, lasting well into the season. The park has been completely fenced in and with the coming of settled weather the

ground will be worked over so as to put the diamond and outfield in excellent condition.

Besides the covered seats a row of bleachers has been put up at a safe distance from the first base line and screened off with wire netting. A commodious club house is almost finished which will be used by the members of the team and their visitors. The confectionery stand has been taken and is in charge of Ed. Heslin and wife. It will be a convenient place for ice cream, cooling drinks and other luxuries when the weather gets hot.

The Fairview ball park is going to be a popular resort for clean sports the best of which will be classy baseball with some of the strongest amateur clubs of Portland and other places.
