Christian Citizenship Conference a Great Success.
 During the past week a mammoth gathering, under the auspices of the National Reform association, has been holding a series of meetings in the stadium of the Multnomah Athletic club. At these meetings noted speakers from all parts of the world have been heard, missionaries, pastors, educators, moral reformers, and other leaders of christian thought and action.
 Among the foreign countries represented at the conference are: Norway, Turkey, Japan, China, New Zealand, Korea, Ireland, Scotland, Germany, France and Italy. The addresses of these noted leaders in modern reforms have been listened to by crowds which filled the immense open air auditorium to full capacity. It is probably that the next conference will be held in 1915 and it is almost certain that San Francisco will be chosen as its location.

IMPRESSIVE SERMON BY REV. ALEX BEERS
 Rev. Alexander Beers, of Seattle, preached in the Free Methodist church last Sunday both morning and evening to very attentive audiences. Those who were present in the morning will have occasion to think more intelligently and favorably in regard to the christian education of our young people, also of the relation of the church and school to a community. The subject was very ably dealt with from one who has studied the work thoroughly.
 The evening service was of a different type, being a plea for men and women to accept Jesus Christ as their Saviour. It was a touching and impressive service and all went away feeling that it was a profitable service and no doubt the thought was brought home to every heart that the christian's way is the best way.
