College will Exhibit at the State Fair.

An instructive exhibit will be made by the Oregon Agricultural College at the State Fair, September 29 to October 5. While the college will try to make the exhibit of the greatest possible value to farmers and other operatives it will adhere to its policy of not competing with individual exhibitors. It is the purpose of the extension division, under whose auspices the display will be made, to exhibit only those things that will illustrate either the methods or results of the scientific and industrial work as carried on at the college and Experiment Stations.

Biggest in the World.

The largest cargo of lumber ever set afloat in the world was that of the Pacific Mail Steamship Alcoa, which left Portland, September 7, for Sydney, she having aboard more than 6,000,000 feet of lumber. The cargo is 1,000,000 feet in excess of any other having the Willamette or Columbia rivers or any port on the Pacific coast. The value of this cargo is estimated at approximately \$100,000.

Don't Let Baby Suffer With Eczema and Skin Eruptions.

Babies need a perfect skin-covering. Skin eruptions cause them not their growth. DR. HOBSON'S ECZEMA OINTMENT can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Stubler, Dubuque, Iowa. All druggists, or by mail, 50c. LOUIS METZGER'S NEW DWELLING

Lewis Metzger is just putting the finishing touches on a fine new house on Lawrence avenue, one block east of Roberts. Like his other houses, this newest one is entirely of his own designing and work, even to the finishing and painting. It would be hard to find a house more carefully planned and with more conveniences to help make home pleasant and housework easy. Six or seven rooms enter into the arrangement of the down stairs. The living room is separated from the dining room by a buttressed partition. A swinging door opens into the dutch kitchen, which has every modern convenience. A wash room, a bath room and two bedrooms and two large closets complete the arrangements. Hot and cold water a wood lift and clothes chute are provided. Upstairs are two large bed rooms and three closets, one a linen closet. There is a full basement, suitable for laundry purposes and a storage room for canned fruit. The house is well plastered, is electric wired, and has complete plumbing and a septic tank. All the work has been done by Mr. Metzger in his usual careful, skillful manner, many rather unusual conveniences being provided for the help of the housekeeper.

A good plank sidewalk is being built along the property on Lawrence avenue, which has lately been carefully graded. It is hoped to gravel the street in the near future as it is the thoroughfare leading to many homes in Lawrence and Whitehead's additions.

The Misses Nystrom have opened up their millinery store on Powell street. They have a first-class line of millinery and will treat you courteously.

Mrs. L. S. Osborne has received the wedding card of her son Joseph E. Osborne, who was married at Victoria on Saturday last to Miss Ada Elizabeth Greenway. They will make their home at Vancouver, B. C.

The Gresham Council of Women Voters is in charge of the women's rest room at the Fair. It has been cleaned and furnished and costily fitted up for its purpose. It is expected that some member of the Council will be present during the entire Fair. The committee in charge consists of Mesdames R. R. Carlson, J. H. Metzger, Maxwell Schneider, J. N. Clananah, Chas. Cleveland, O. E. Leonard, Geo. Leslie and Miss Pearl Jones.

Mrs. Geo. H. Sunday and Miss A. Hoagland spent Saturday and Sunday at Damascus at the home of Mrs. Frank Metzger. Mrs. Sunday's six daughters were present in a reunion.

Mrs. Geo. Parker, of Marshfield, Ore., is in Gresham this week visiting with Mrs. Dan Murphy and other friends, and also enjoying the Fair.

W. F. Honey has gone to Par-River, N. D., on a business trip which will keep him for several weeks.

John Metzger, Floyd and Cecil Metzger and E. L. Thorpe attended a very interesting session of Multnomah Camp 77, W. O. W., Friday evening. Cecil Metzger was initiated into the mysteries of the order. All four had a very enjoyable time.

Announcements for the present week's services at the Free Methodist church will be as follows: Sunday school at 10 a. m., morning service, beginning at 11 o'clock will be a missionary meeting in the interest of foreign missions. Evening service will begin with a congregation-vice at 8. Rev. S. F. Pitts will occupy the pulpit. Mid-week prayer meeting Wednesday evening at 8. Everybody cordially invited to attend these services. Edwin W. Hight, pastor.

GRESHAM AND VICINITY

Mayor Shattuck, John, George and Ed. Sleret with their families arrived home this morning from the Pendleton round-up. All were in good spirits and thoroughly enjoyed their trip there and back by the auto route over the Cascades.

Frank McCrillis, director of Sales Beaver State Motor Co., is one of the best boosters for the Fair. His activities in Portland have made him chairman of committee from the Portland Realty board and Portland Ad. club, both of which organizations will attend the fair on Portland day—Thursday.

Mrs. L. Osburn and Miss N. Osburn, of Damascus, are the guests of Miss Winnifred Osburn today and visitors at the fair.

P. A. Combs, president; and J. L. Balley, secretary, of the Beaver Automobile company were in Gresham yesterday with the "Beaver Six."

H. L. Neville, civil engineer of Portland, was a Gresham visitor today. He helped to survey the county roads through Gresham.

E. Olson, wife and two children, of Troutdale, started five weeks ago for an auto trip through Washington. At Aberdeen they were joined by Mrs. Thompson. They visited Vancouver, and Westminster B. C., and Seattle, Tacoma, Gray's Harbor, Mt. Rainier, where they encountered a snow storm last week Monday, coming home by way of Toledo.

From there to Vancouver, Washington, they found very poor roads. Otherwise the roads were fine for autoing and the trip was greatly enjoyed. They reached Troutdale late Wednesday night all safe and well.

W. R. Gould and Claud Stockton are finishing up the Squires' cottage in Thompson's addition.

A. W. Parker, from Iaho, formerly from Deer River, Minn., was the guest of Mrs. Carter and the E. Wright family on Sunday.

John Metzger, Floyd and Cecil Metzger and E. L. Thorpe attended a very interesting session of Multnomah Camp 77, W. O. W., Friday evening. Cecil Metzger was initiated into the mysteries of the order. All four had a very enjoyable time.

DOLLS OF MANY NATIONS AT LIBRARY THIS WEEK

Fourteen guests will be entertained by the library during this week. Each one of these has a special attraction of his own, and would be glad to meet the friends of the library and those visiting Gresham.

Wilhelmina and Peter claim they have just reached America from Holland and one seeing them would scarcely doubt the veracity of the statement.

Gretchen with her little kerchief, cap, apron and wooden shoes and Preter with his little dutch trousers jacket and cap make you think you have stepped into Holland. You can almost see the cobbled streets and queer little canals. Gretchen's mother has left her to the tender care of the other visitors. She is a little German baby smuggled down in her little nest contented as can be. Perhaps she and Petrovna arrived in America together as Petrovna probably passed through Germany after leaving Russia. We all greet her with eyes of wonder as she is so vastly different from our babies.

Liza, with her little skirt and black bodice in her mild, modest way will greet you and remind you of the mountains of Switzerland. You can see the herds and almost hear the yodel of the peasant as he comes home.

The Scotch laddie is among the guests, too. We miss the bagpipe but we can picture scores of laddies marching briskly along to mystic air of their national music.

Gemita will welcome also, bringing up memories of Arabia. You can actually see her in her canopied carriage. Her mode of traveling is so strangely different from ours that we wonder at the patience her people must have to be satisfied with the slow measured tread of the camel. Probably we would be so impatient we would climb down and walk, although little would be accomplished. Then we leave the threshold of Europe and wander into the Orient as Chenchu and her brother have joined the throng. It is not hard on first sight to know their home is China. Toyo and Lotus Blossom Mist have approved of their visit to our land as they added their presence as Chenchu and her brother sailed passed Japan. It is a curious way she has of carrying her little brother. He peeps over her shoulder as if he were curious

as to what is transpiring and wondering what the Americans might think of him.

Coming down from a cold, cold region, Sepu and his mother beg to be admitted and very glad we are to welcome them. At first we might mistake them for a large white bear but on second glance we decide they are more interesting personages. Sepu's mother carries him very much like the little Japanese girl and he peeps around in much the same way. But Little Bear, who probably was picked up in some nearby country is as placid and contented as a papoose could be.

Even Thankful and Peregrine have joined the guests to bring back memories of colonial days. We think of the hardships that our forefather bore long ago when they first landed on the New England shores and then we realize what a great country we are today.

These little guests will remain with us until Saturday only and will gladly receive their visitors during the intervening time. Old people as well as the children will be interested.

Despondency. Is often caused by indigestion and constipation, and quickly disappears when Chamberlain's Tablets are taken. For sale by Gresham Drug Co., and all Dealers.

Diarrhoea Quickly Cured. "I was taken with diarrhoea and Mr. Yorks, the merchant here, persuaded me to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After taking one dose of it I was cured. It also cured others that I gave it to," writes M. E. Gebhart, Oriole, Pa. That is not at all unusual. An ordinary attack of diarrhoea can almost invariably be cured by one or two doses of this remedy. For sale by Gresham Drug Co., and all Dealers.
