The Linotype Way is the Way that Wins.

Official paper of the Town of Gresham, Oregon. Official paper of the Town of Fairview, Oregon.

Entered as second-class matter March 3, 1911, at the postoffice at Gresham, Oregon, under the act of March 3, 1879.

ALL HARMONIOUS.

The harmonious spirit of rivalry that has been manifested among the competing granges at the fair has made a farm exhibit that it would be hard to beat in any community. The big premiums offered by the fair association stimulated them to make their best efforts, and has brought out the best there is in Multnomah county.

JUVENILE MARKET ASKS ATTENTION

The Juvenile Public Market, located in the Yamhill street Market, First, Second and Yamhill streets, is anxious to interest the public in their work and win their patronage.

Remember it is easier to assist the boys and girls now in learning the value of money and how to make it than it is to take them to the Juvenile court when the lack of something to do leads them to delinquency.

MRS. EUNICE M. DOUGLASS, Manager.

When Removing Your exhibits from the Multnomah County fair, don't forget that a few choice specimens can be used to advantage in the "Gresham show case" in the O. W. P. waiting room, First and Alder streets, Portland.

Rockwood

Frank Leise and family have gone camping for two weeks. Mrs. Stensland has gone east to visit her sisters whom she has not seen for several years.

Most of the hop pickers have returned and are glad to be at home again. Mr. and Mrs. H. H. Nichols were in Portland last week.

PREMIUM LIST FOR COMING SANDY FAIR

Preparations for the fair to be held here October 3 and 4 are nearly completed. Much interest has been shown in making the arrangements and it is expected that this will be the best fair ever held in Sandy.

The program for the morning of October 4 will be announced next week. All are urged to bring exhibits and to bring them early, not later than 9 a. m., October 4.

The fair management wishes to call the attention of mothers to the eugenics department and urge them to bring their babies for examination and measurement.

The program of exhibits, prizes and entertainment has been arranged as follows:

Friday, October 3. 10 a. m. Exhibits in Meinig's hall.

Best school float, prize \$5.00. Best business man's and lodges' float, prize \$5.00.

Best decorated auto, \$2.50. Best decorated saddle horse, prize \$1.00.

Best decorated single rig, \$1.00. Best decorated double rig, \$1.00.

Best decorated double rig, \$1.00. and measurement. Dr. W. H. Barendrick with two assistants will be in charge of this department and score cards similar to those used at the larger fairs where the eugenics departments have been popular features will be issued.

Student work in the mechanical arts will be exhibited at the State Fair by the Engineering department. O. A. C. The exhibit will include student-made mechanical appliances that are equal in workmanship to like articles found on sale in factories and stores.

Biggest in the World. The largest cargo of lumber ever set afloat in the world was that of the Pacific Mail Steamship Algoa, which left Portland, September 7, for Sydney, she having aboard more than 6,000,000 feet of lumber. The cargo is 1,000,000 feet in excess of any other having the Willamette or Columbia rivers or any port on the Pacific coast. The value of this cargo is estimated at approximately \$100,000.

Oregon Represented in Logs. Oregon is to have a log building to house its exhibits at the Panam-Pacific exposition. The design for the building has been selected by the Oregon Commissioners for the Oregon building which will be part of the fair at San Francisco in 1915. Tentative plans prepared by the architects show a huge log building of novel design, the building being so constructed in accordance with the wishes of the Commission and in keeping with a pronounced popular demand. Inasmuch as the exposition itself will not give space to a separate forestry display, it is believed that Oregon can attract much attention in this novel and striking manner to one of its chief industries.
