kind. According to Mr. Nash the agreement which he wanted Miss Grant to sign before he left Portland and which she refused to give her signature, was simply a statement that she would be responsible for any debts which she might contract while running the real estate business which she took over upon his departure. He also denies that he "eloped" as one of the dailies had it, saying that he had notified all his friends of his approaching marriage and had told them that he would be away for several months on his wedding trip.

He further declares that Miss Grant has two divorced husbands living, and that up to the time that she became his nurse she was employed as a waitress in the tea room of a large Portland department store.

A headline says, "Spain Short of Funds." But surely that is no news.

Don't Let Baby Suffer With Eczema and Skin Eruptions. Babies need a perfect skin-covering. Skin eruptions cause them not their growth. DR. HOBSON'S ECZEMA OINTMENT can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Stubler, Dubuque, Iowa. All druggists, or by mail, 50c. JOSEPH NASH WILL FIGHT LAW SUIT

Joseph H. Nash, the Portland real estate dealer who has been made the defendant in a \$50,000 breach of promise suit by Gertrude Grant of Portland, has retained a firm of attorneys and has said that it is his intention to fight the case to the very end in order to clear his name. He denied generally and in detail all of the charges made in the complaint to the effect that he had lived with Gertrude Grant under a promise of marriage, and said that there had never been any but purely business relations between them. The lady in the case was employed by him to assist in his real estate business and also as nurse when he was suffering from heart trouble. At this time he was unconscious for a period of three weeks and was under her care. Later he and his nurse made their home with Mr. Nash's brother and his wife who is Miss Grant's sister. But that they ever contemplated entering into the state of matrimony, Mr. Nash denies. "We both came from Chicago," said he, "but I hadn't seen her since she was five years old until we met in Portland."

Diarrhoea Quickly Cured.
"I was taken with diarrhoea and Mr. Yorks, the merchant here, persuaded me to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After taking one does of it I was cured. It also cured others that I gave it to," writes M. E. Gebhart, Oriole, Pa. That is not at all unusual. An ordinary attack of diarrhoea can almost invariably be cured by one or two doses of this remedy. For sale by Gresham Drug Co., and all Dealers.

He is at present negotiating for a summer home at Long Beach where his honeymoon was so rudely interrupted by the news that the suit had been filed. He and his bride formerly Miss Lillian Richmond of Rockwood, are staying in South Bend and it is his intention to go into the real estate business there if conditions strike him right after the suit is settled at the first term of court in October. He says that Miss Grant's attorneys have been attempting to affect a settlement but that he will not consider anything of the
