STOP THE HOLE! SOME DAY YOU'LL NEED THE MONEY YOU'RE DROPPING ALONG LIFE'S PATH!

If you were carrying a bag of gold and should discover a gaping hole in that bag through which a fortune was trickling away—lost to you forever—you would stop up that hole at once.

That's just what is happening if you are not saving your money. A fortune passes through your hands in the course of a lifetime; your future depends on how much you retain. You can't fill a barrel until you stop the leaks; you can't accumulate money to protect and back you until you stop the leaks of extravagance.

It is not what you make, but what you spend, that keeps you poor. The poorer you are, the more need you have for a bank.

FOR THAT
Stubborn Cold Use

Rexall Cold Tablets

We recommend these tablets in the treatment of Coryza, Hay Fever, Rose Cold and Rhinitis, which are all practically due to the same general cause—germ irritation, leading to intense inflammation of the lining of nasal cavities.

In treating a cold which has, as is generally termed, "settled on the lungs," Rexall Cold tablets are advisable as an emergency remedy until competent advice may be obtained.
