

NOTICE TO TREE PLANTERS

NOW IS THE TIME to plant your Trees and Shrubbery, either for home or commercial orchard--for the winter rains will pack the ground solid around the roots--then when Spring comes your trees are ready to absorb all nourishment and make their growth. Planting in the Spring is not as satisfactory, since the soil does not pack thoroughly around the roots, hence the tops do not receive the proper nourishment and the growth of the tree is retarded.

You'll find at the GRESHAM NURSERIES a complete line of Apple, Pear, Peach Plum and Prune Trees, also a limited number of Dwarf Pears, Shade Trees and Roses--all high grade stock and far below the average price, for quick selling.

The meeting of the Neighborhood club last Saturday evening was well attended. Short talks were made on the following subjects: The Mexican Situation by F. W. Canning; the Workmen's Compensation Act by Robert Jonsrud; the Clackamas County Library Measure, by Mrs. Robert Jonsrud. The following program was then rendered: Vocal trio by Mr. and Mrs. Robert Jonsrud and Eunice Jonsrud; recitation by Gladys Hutchinson; music by Miss Mabel Jonsrud; recitation by Miss Margaret Sullivan; story by P. C. Spooner; singing by Mrs. Robert Jonsrud, accompanied with whistling by Robert Jonsrud.

The club will meet every Saturday evening until further notice is given. Saturday evening, November 1st, the following question will be debated: "Resolved that the National Government should build and maintain all the principal wagon roads."

The people of Clackamas county will have a chance of showing their progressiveness by voting in favor of the county library measure, which if passed will give to the children and people throughout the county as good library advantages as the cities afford. All kinds of good books, expensive reference works and periodicals will be free to all and within easy reach of young and old. The average cost to each taxpayer will be only 45 cents a year. Many pay ten times that amount a year to book agents for a single volume. If you do not care for these free library advantages for yourself, make them possible for the sake of the children and young people. It will be another means of keeping them on the farm, to say nothing of the educational advantages and refining influences a good library offers.

The new income tax goes into effect tomorrow and bond holders are getting anxious, as orders have been received at the banks to accept coupons only for collection instead of paying them in full, as heretofore.

If it takes 100,000 recruits from among our boys every year—statistics for it—to keep the saloons going what is Gresham's proportion? Can we spare any of them?
