

Widespread observance of apple day, November 18, is expected to give the Oregon apple one of the greatest bits of advertising it has ever received. Apples and apple dishes will be served in hotels and restaurants all over the United States. Scores of menus and promises of co-operation have been received at the Portland Commercial club, even far away Alaska having fallen in line, and newspapers all over the country are boosting the matter along.

## IN GRESHAM AND VICINITY

Among the intimate friends from out of town who came to attend the funeral of the late Mrs. W. H. Congdon, were Mrs. Jessie Armstrong, Miss Minnie Ilstrom and Tom Boyd all of Portland. Miss Ilstrom, who was for many months employed at the Congdon, was here with the family from Saturday to Tuesday.

Thanksgiving pastry at Hoetzel's City Bakery is prepared in abundance, and there is no need for the tired housekeeper to worry herself over a hot stove just to make dainty dishes that can be bought already made.

Main street mud is the attraction for the street grader today. Early this morning the road crew tackled the job and it begins to look better. The surplus mud is being hauled away and dumped into the gulch in front of the old city jail.

T. R. Howitt has opened another meat market in Portland and has put William Hockinson in charge. A rumor that the market here would be discontinued has no foundation and it will continue to carry a complete assortment of choice meats at all times.

George L. Baker, the well-known theatrical manager and his wife, Manager Coffinbury and wife of the Orpheum theater, Miss Dorothy Shoemaker and Miss Mary Edgett Baker of the Baker Stock company were guests at the Regal cottage for a chicken dinner on Sunday night. From the indications after the feast it was shown that ministers are not the only ones who enjoy chickens. Theatrical people know what is good and knew where to find it.

Mr. and Mrs. G. R. Quick, of Portland, spent Sunday with the former's parents, Mr. and Mrs. E. C. Lindsey. Mr. Quick returned Sunday evening, leaving Mrs. Quick and baby for a longer visit.

Floyd Metzger, Ray Palmquist and Rudolph Wihlon, all graduates of the Gresham High, visited the school last Monday. Mr. Metzger is now a student at Reed, and Mr. Palmquist at the University of Oregon.

Wm. T. Nelson, recently from South America, is assisting his uncle M. O. Nelson on the Cherry Park place. They are keeping bachelor's hall and doing pruning and other improvement work.

The Ladies' Aid society will meet in business session at the home of the president Mrs. O. A. Eastman, next Wednesday afternoon. A full attendance is desired.

Mrs. J. E. Crawford starts tomorrow for Seattle, Wash., to join Mr. Crawford who has been there about a month working on a boat. They expect to remain there for some time.

Fred Pitcher, of Portland, is visiting at the home of Mr. and Mrs. J. E. Crawford today and assisting Mrs. Crawford in her arrangements to move to Seattle, Washington.

Claude Smith left yesterday for a two weeks' trip up the Willamette valley in quest of subscriptions for the Evening Telegram. His remarkable success in getting subscribers in the automobile contest has placed his wife at the top and he is determined to make her the winner for this district.

"Uncle Tom's Cabin" will be put on at Smith's theater next Monday and Tuesday evening. The usual reel features will be given. Mr. Smith will give away several fine turkeys between now and Thanksgiving. Save your coupons.

The Southland Quartet rendered a highly entertaining program of darkey melodies, vocal solos and duets and piano solos at the motion picture theater last Saturday night. Practically every seat in the house was taken and the audience was enthusiastic in its encores. While most of the songs were real melodies of the southland, those of the classical sort were not wanting. The Trail of the Lonesome Pine, Old Black Joe, Sleep, Kentucky Babe, were among the many popular songs, matchlessly sung, any one of which was well worth the price. Three reels of pictures preceded the program and everyone had his fill of music and amusement. It's a way Claude Smith has of giving every patron of his show more than his money's worth.

A pleasant family reunion was held last Sunday at the home of C. E. Risher, at which were present Mrs. Risher's mother Mrs. S. R. Bradfield, Mr. and Mrs. Robert Lansdowne of Pleasant Home and Mr. and Mrs. Ira A. Bradfield and four children of Parsons, Kansas, who are here for a few weeks' visit.

The main room of the library was packed last Friday night in the occasion of the lecture of Professor Dunn of the University of Oregon, on the seven wonders of the world. Other lectures are being arranged by the county librarian, which will be given from time to time.

# LEWIS SHATTUCK,

Gresham's Big Store on Main Street

A short time ago the Oregon Agricultural College announced the fact that a cross-bred hen had turned out 291 eggs in her first twelve months of usefulness, and stated that no other egg machine had ever before reached that rate of speed. Now, the college announces, the original best-hen-in-the-world will have to take a back seat, as another biddy at the same institution has succeeded in laying 303 eggs in exactly one year. This new hen, like the farm-record-breaker, is a cross between the barred Rocks and White Leghorns. Professor Dryden, in charge of the poultry department at the college, says that no special attempt outside of the breeding, was made to secure high records. The methods followed in feeding and general care were such as might be profitably followed by any farmer or owner of poultry. The 303 eggs produced by the record-breaking hen weighed 42 pounds, or about eight times the weight of the hen herself, and were remarkably uniform in size, shape and color. Many requests have been received at the college to place the hen on exhibition, but on account of her great value as a breeder it has been decided that the risks are greater than the value of the advertising.

Eight pigs, six months, 1632 pounds, \$123.00. This is a condensed story of what has been accomplished by a farmer at Independence, Oregon, who recently hauled his pork to market and disposed of it. Each hog was six months old and averaged 294 pounds, making an average value of \$15.38 a head, or \$2.56 per month per hog. "Never let your pigs make hogs of themselves," is the advice of a prominent farm expert in urging farmers to hurry the growth of their pigs and getting them to market when from 6 to 9 months old.

**A Consumptive Cough.**  
A cough that bothers you continually is one of the danger signals which warns of consumption. Dr. King's New Discovery stop the cough, loosen the chest, banish fever and let you sleep peacefully. The first does checks the symptoms and gives prompt relief. Mrs. A. F. Mertz, of Glen Ellyn, Iowa, writes: "Dr. King's New Discovery cured a stubborn cough after six weeks' doctoring failed to help." Try it, as it will do the same for you. Best medicine for coughs, colds, throat and lung troubles. Money back if it fails. Price 50c and \$1.00. All druggists, by mail, H. E. Bucklen & Co., Philadelphia or St. Louis.

**Protect Yourself Against Adversity By Opening an Account in Our Bank.**

A man without a bank account is one without economic reserve power. He is not in a position to ward off the sufferings which are almost certain to come to persons depending wholly upon their ability to labor and upon the demand in the community for their services. He and his family are continually in danger of sinking beneath the poverty level.

**FIVE OR TEN YEARS FROM NOW**

will you be possessed of a reserve sufficient to prevent you from being continually haunted with the spectres of want and hunger? That depends on whether you save, regularly and systematically, a certain portion of your income, and bank it where it can grow and be completely protected.

Systematic weekly deposits become a strong incentive to save and spare you the temptation to spend which comes when you carry all your money in your pocket. We are sure we can help you. Let's try it.
