THANKSGIVING.

Thanksgiving season is the one greatest time of the year when a good cook is appreciated. It is not necessary to be the suffragette head of the household to be an expert at making pies or roasting turkey, for the young society bud can become as expert as her mother is supposed to be—and the best cooks have the best chances in the matrimonial future.

There are many things to be thankful for besides the unbounded prosperity that has befallen us during a year past. Probably the most important cause for thankfulness is the fact that the football season has ended and that the only distraction ahead is social duties and application to school studies. Those things count for something.

There is not very much romance to the day, for it is one of home coming and enjoyment—a sort of precursor to the holidays of December; yet it should awaken hallowed memories and be a source of thankfulness that we have been allowed to be among those who are yet here, but have not forgotten those who have gone.

OUR HOLIDAY NUMBER.

The Outlook will issue its annual holiday number on December 16, in ample time for advertisers to get the benefits of their announcements for Christmas. It will consist of twelve pages, unless unforeseen difficulties prevent, and will have an illuminated cover suitable to the season.

In addition to the usual news service and correspondence there will be Christmas features, stories, poems and illustrations for everyone, but the principal idea will be to give the children a literary treat in such matter as is most suitable for them and the occasion.

We are not unmindful of the excellent reports from our various community correspondents last year and we are again making the request that each little center see to it that a good report is sent in for publication again this time. As we will necessarily have to make up the greater portion of the paper several days in advance we make the suggestion that all copy intended for the 16th of December be sent in five or six days in advance as far as practicable, to be followed up by fresher news a few days later.

Our correspondents can help to make this number representative of the entire territory surrounding Gresham. A little extra exertion on the part of each one will do it. Everyone is invited to contribute.

With eggs ranging up close to the six-bit limit it is easy to distinguish the farmer from the city dweller by the condition of his chin and the front of his clothes.

Will President Wilson, in future years, remember this period as the time when he was president of the United States, or as the time when he married off his daughters?

Overheard on the street:
Alumni—Hullo Kid, how are you?
High School—First class; how are you?
Alumni—Steerage.

Happy Lafferty, Oregon's batchelor congressman. Such is the social obliquity attached to service in the lower house of congress that "The Cabinet Ladies" have resolved to cut members' wives from their calling lists. The Oregonian remarks that the men will be lucky if they get off with jail sentences.

SATURDAY'S FOOTBALL GAME LOST BY G. H. S.

Gresham high school football team was defeated by the Washougal high school team on the latter's grounds last Saturday afternoon, the score being 18 to 0. This was a return game, Gresham winning from Washougal here about two weeks ago in a score of 29 to 0. The team left here early Saturday morning, going by way of Portland and Vancouver. The day was one of the rainiest of the season. Our boys were looking for an easy victory and were taken by surprise in the first quarter when Washougal scored three touchdowns. Our boys then woke up and succeeded in holding the score at that point. Wilbur Stanley suffered a severe ankle sprain, and Emerson Brown wrenched his leg badly. The loss of these strong players weakened our team. This was the sixth and closing game of the season for the Gresham high. The line up of the home team on Saturday was as follows: H. Stanley, center; E. Lister, left guard; E. Brown, left tackle; Fred Honey, right end; Leslie St. Clair, right-guard; E. Froeman, right-tackle; Frank Rodgers, left-end; Jack Honey, quarterback; Kirk Thompson, right half; Wilbur Stanley, left half; Ralph Stanley, full back; subs., Frank Brown, Ted Shattuck. Captain Ralph Stanley and Jack Honey starred for Gresham.

Silverware for Thanksgiving.

Of course you want your table to look the prettiest on Thanksgiving day. Already you are planning the decorations and looking over your silver. Perhaps you lack some little things in silver which belong to the perfectly appointed table. The next time you are down town come in and look over my immense stock of silver. You will find just what you lack to make your table a beauty.

A Consumptive Cough.

A cough that bothers you continually is one of the danger signals which warns of consumption. Dr. King's New Discovery stop the cough, loosen the chest, banish fever and let you sleep peacefully. The first dose checks the symptoms and gives prompt relief. Mrs. A. F. Mertz, of Glen Ellyn, Iowa, writes: "Dr. King's New Discovery cured a stubborn cough after six weeks' doctoring failed to help." Try it, as it will do the same for you. Best medicine for coughs, colds, throat and lung troubles. Money back if it fails. Price 50c and \$1.00. All druggists, by mail, H. E. Bucklen & Co., Philadelphia or St. Louis.

WIFE IS MISSING, HOME BROKEN UP

W. F. Fisher, of Sandy, was in Gresham last Friday morning trying to locate a portion of his household furniture which he suspects was brought to this vicinity a day or two ago.

While at Oregon City a few days ago he says his wife left home for Portland and is now there. She refuses to return and he alleges that his home is broken up. He asserts that a religious cult at Sandy has influenced his wife to leave him. He will not take any definite action at present but is trying to locate the missing furniture.

Declare War on Colds.

A crusade of education which aims that common colds may become uncommon within the next generation has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

"Don't sit in a draughty car."
"Don't sleep in hot rooms."
"Don't avoid fresh air."
"Don't stuff yourself at meal time. Overeating reduces your resistance."
To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by Gresham Drug Co., and all Dealers.

Weekly Oregonian subscription offer extended.
