The Best Light

AT THE LOWEST COST

ELECTRIC LIGHT is the most suitable for homes, offices, shops and other places needing light.

ELECTRICITY can be used in any quantity, large or small, thereby furnishing any required amount of light. Furthermore,

ELECTRIC LAMPS can be located in any place, thus affording any desired distribution of light.

NO OTHER LAMPS possess these qualifications, therefore, it is surprising that

ELECTRIC LAMPS are rapidly replacing all others in modern establishments.
