Cedarville

The Thanksgiving turkeys were rather high, but the Thanksgiving potatoes were plenty. Fourteen car loads have been shipped from here this month. Some Murphies!

The county is putting Powell Valley road in fine shape. Several auto trucks are hauling crushed rock and fine surface material, while the steam roller is crushing it to a smooth finish. Later the taxpayers will be able to estimate the expense.

Will Jones and Dick Forbes have finished digging their fourteen acres of potatoes. Other people are about through.

George Duly is busy on the road. Miss Giese enjoyed the Thanksgiving turkey in Portland. Eggs are eggs these days.

Cottrell

Born, to Mr. and Mrs. Newton Hedlin, November 18, a girl. Guy Hood spent Thanksgiving week with friends at Willamina.

Born, to Mr. and Mrs. S. C. Sherrill, of Forest Grove, a girl. J. B. Fowler moved his family to Mrs. Shetterly's place Monday.

Mrs. Frad Wagner was called last week to the bedside of her niece Miss Camp, of Oregon city, who is very ill.

J. B. Jones' mother died at the Good Samaritan hospital Monday morning after an illness of a few days.

Welches

An inch of snow fell in Welches Thursday.

Mr. Franzetti returned to Rhododendron after a stay in Portland. He is building an ice house and is busily preparing for the summer season.

There is a foot and a half of snow at Government Camp.

Mr. and Mrs. Ralph Shelly have gone to Marmot for a few days, where they will visit with Mrs. Shelly's mother, Mrs. Leaf, returning to Camp Zigzag later.

Walter Creighton has completed his barn and will now haul his hay from the Gerke place.

W. J. Faubion killed a large coyote one day last week.

Mr. Bowman and Mr. Rosencran's spent a few days in Mr. Bowman's summer cottage near Arrah Wannah. Mr. Rosencran's caught a mountain trout measuring 17 inches and weighing two pounds.

A black bear was seen near Arrah Wannah one day last week.

The forest rangers are erecting a six room bungalow with bath room and fire place at Zigzag station.

CHILDRENS' CASE IN COUNTY COURT.

A quarrel is being staged before County Judge Anderson at Oregon City, over the possession of the children of Mr. and Mrs. Thomas McCabe, the principals in the murder and suicide in the Firwood district.

W. L. McCabe, a brother, was appointed administrator of the estate. The wife's parents immediately filed a protest and asked that W. H. Kuhn, her father, be put in charge of the children and the estate.

The county court will hand down a decision within the next few days. The total value of the estate is given at \$2000.

The late National grange voted down the referendum in grange affairs and refused to allow proportional representation in the matter of state delegations. Wonder why it refused to take the medicine it has been prescribing for others? The seven insurgent states were solid for the changes but all the others were opposed.

Early to bed, early to rise, tell your wants and advertise—in the "want ad." column, of course.

Emeline Pankhurst has gone back to London with \$20,000, American money. Cheap riddance.

It would have been difficult for anyone to go on a hungry strike yesterday.

The turkey trot today is toward the cold storage.

Napoleon said, "Impossible" was a word found only in the dictionary of fools.

Do you covet your neighbors' possessions? Try a want ad, on him.

It is never too late to blame the other fellow for your mistakes.

But the man with money to burn may not love the smell of smoke.

A rolling stone gathers no moss, but it's a smooth one just the same.

Taylor Avenue

Frank Reams raised 60 tons of potatoes off of nine acres of land, and has already sold a part of them for \$1.15 per 100 pounds.

Mr. Heath, of Ventura Park store, who was operated on for strangulation, is improving and expects to be home in about two weeks.

Mr. Abbot of Ascot Acres is improving his house by digging a basement and raising the building.

There was a petition circulated and signed by more than 40 persons to the P. R. L. & P. Co., to build a station house at Varnel.

It seems public opinion that we are to have the Base Line road paved before another year. Let the good work go on.

Our congenial mail carrier, Mr. Chipman makes his regular trips and almost on time every day. The road through from the Base Line to the Section Line on Taylor avenue is not the best road on earth, but could be worse. Maybe we can get our county commissioners interested by and by.

The Ascot Acres have taken on new life. There have been four new houses built and two new wells dug and concreted from top to bottom, 130 feet is about the depth water is reached.

Mrs. Holman of Taylor avenue has been indisposed, but is around again.

Hal Dixon has some terrible sick spells with his stomach and for several days cannot take nourishment except a little milk or light toast.

U. G. Decker, of Ventura Park, is in poor health and is confined to the house the most of the time.

Our school at Buckley avenue and Section Line road is closed for this week on account of teachers' institute.

A. D. Teuke, our school clerk was around taking school census and reports no addition in children in the district.

Arthur Friese and wife from Portland were visiting their father and mother on the Base Line last Sunday.

Mr. and Mrs. Alford Reynolds and their daughter, Miss Maud were visiting at Mr. and Mrs. W. B. Keen's Monday. They are from Tillamook county and they say Tillamook is God's own country when the tide is out the table is set.

Mrs. W. B. Keen picked ripe strawberries from the garden last Sunday. Who can beat that on the 23d of November, 1913?

Road districts in the Sandy valley country, including Firwood, Salmon River, Cottrell, Boring and Sandy, have all voted additional road tax, ranging from five to ten mills. This is a good indication of the rapid development of these sections and promises well for the future. Good roads are at the foundation of the country's growth.

There is prospect that Sandy will get electric-lights and power direct from the Bull Run power plant.

We have a new shipment of Flash-lights, Batteries and Bulbs. At Sterling & Kidder's.

A Night of Terror. Few nights are more terrible than that of a mother looking on her child choking and gasping for breath during an attack of croup, and nothing in the house to relieve it. Many mothers have passed nights of terror in this situation. A little forethought will enable you to avoid all this. Chamberlain's Cough Remedy is a certain cure for croup and has never been known to fail. Keep it at hand. For sale by Gresham Drug Co., and all Dealers.

Livestock Show to Be of Unusual Scope.

From all over the west, and from some of the Middle Western states, come reports of intending exhibitors at the International Livestock exposition to be held at the Portland Union Stockyards, December 8-13.

Guernseys from Wisconsin, Holsteins from Arizona, Herefords and Shorthorns from Montana will be seen on dress parade by the side of fancy livestock from the agricultural colleges of California, Idaho, Washington and Oregon. Stump's herd of Jerseys from Monmouth, Oregon, from which the grand champion heifer for the United States at the National show in Chicago was taken, will be entered, and the Brown, Minor and Dunn Shorthorns are also on this circuit. Many entries of sheep from the most prominent flocks of the Northwest will also be shown.

The exposition officials have been fortunate in securing the services of some of the most famous livestock judges in the Union to take care of the classes. Practically all the men selected have been judges at the International Livestock Exposition or the National Dairy Show at Chicago and all are noted for exceptional ability and fairness. Commercial and booster clubs all over the Northwest are enthusiastically stirring up interest in the event, full special car parties are promised from a number of the cities of Eastern and central Oregon and it is expected that many people all over the country will take advantage of the reduced railroad rates.

The Best Light

AT THE LOWEST COST

ELECTRIC LIGHT is the most suitable for homes, offices, shops and other places needing light.

ELECTRICITY can be used in any quantity, large or small, thereby furnishing any required amount of light. Furthermore,

ELECTRIC LAMPS can be located in any place, thus affording any desired distribution of light.

NO OTHER LAMPS possess these qualifications, therefore, it is surprising that

ELECTRIC LAMPS are rapidly replacing all others in modern establishments.

The report of the Junction City Creamery, just published, proves that the dairy industry has been a success in every way. This creamery was organized eleven months ago and during that time 84,000 pounds of butter has been made, about 5,000 pounds of which has been used by farmers themselves. The remainder sold for \$25,094, buttermilk \$173 and cream for \$487, making total of \$26,095. Of this amount farmers received \$22,240, less 1 cent per pound for running expenses. The average price paid for butter during the last 11 months was 14 cents per pound, and the farmers received \$1,200 more than if they had sold their products to private buyers.

Additional Gresham Locals

There will be a meeting of the Library Board at the library next Monday evening, December 1.

Mr. and Mrs. Fred Fieldhouse had as guests yesterday, Mrs. C. Martens and Miss Emma B. Wilkie, of Oregon City, and Mr. and Mrs. Arthur Fieldhouse and family.

Yesterday seemed like Sunday.

We had half a notion to dig up the dates for ten or fifteen thousand years to see if some mistake had been made in the almanac.
