A prominent New York physician says, "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effectual and is pleasant and safe to take. For sale by Gresham Drug Co. and all Dealers.

### SUMONS.

In the Circuit Court of the State of Oregon in and for Multnomah County.

Margaret Langford, Plaintiff, vs. W. G. Langford, Defendant.

In the name of the State of Oregon, you are hereby required to appear and answer the complaint filed against you in the above entitled suit and court on or before February 20th, 1914, that being the date fixed by the court for you to appear and answer herein, and being six weeks from the date of the first publication of the summons, and if you fail to answer within such time, for want thereof, the plaintiff will apply to the court for the relief prayed for in her complaint; for decree of this court dissolving the bonds of matrimony now existing between the plaintiff and the defendant, and

for custody of the four minor children named in her complaint, on the grounds of gross, habitual drunkenness, and cruel and inhuman treatment and personal indignities rendering life burdensome, and for such other relief as to the court may seem just and equitable.

This summons is published pursuant to an order of the Honorable T. J. Cleeton, Judge of the above entitled court, made on the 31st day of December, 1913, directing that the same be published once a week for six successive weeks in the Gresham Outlook, a newspaper of general circulation, printed and published at Gresham, Multnomah county, Oregon.

Dated and first published Jan. 2, 1914. Date of last publication Feb. 20, 1914.
