Sandy

J. W. Dixon and family are visiting in Portland.

H. Posey has moved his family back to Barton.

School started in the new district above Firwood Monday.

The new city officials of Sandy were sworn in at the council meeting Monday night. Mayor Meinig appointed J. E. Pomeroy, chief of police, and F. E. Beckwith was elected president pro tem. The franchise of the Multnomah & Clackamas Telephone Co. was accepted by an unanimous vote. The franchise of the Botkins-McCormick electric light and power company was sidetracked on account of a misunderstanding of the rates. The questions of the control of dance halls in Sandy was also the subject of a lengthy discussion.

E. Leaf has given up his job as road supervisor in favor of Frank McGugin.

Proctor & Beaton made a good sale to the Shetterly Bros. of Pleasant Home. The store is backed by Markell, it is said.

Milton Nelson is home visiting and doctoring for heart trouble.

The four trucks hauling cement, sand and gravel from Sandy have completed their contract, and Sandy's new buildings will be a pride to that part of the county.

Dr. Hale and family arrived recently from Boise, Idaho. The doctor invested in property at Sycamore station a year or so ago, and spent a few months here at that time. He was so well pleased with the locality that he has disposed of his interests at Boise and will take up his residence here.

The young people gathered at the grange hall for a neighborhood party last Saturday evening. Games, music and dancing constituted the program. All report an enjoyable time.

How to Bankrupt the Doctors.

A prominent New York physician says, "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effectual and is pleasant and safe to take. For sale by Gresham Drug Co. and all Dealers.

Cottrell

Chiedo & Co. have taken a contract to clear 10 acres for N. G. Hedin at No. 2 mill. Mr. Dukes has given up his contract with Elmer Radford to clear five acres of land on the Edgar place.

Clifford Schneider is trying his hand at selling "Wear Ever" aluminum in Spokane. He left the Standard Laundry Co. about three weeks ago after working for them several years.

N. G. Hedin and Miller & Miller, formerly of the Mt. Hood railway Co. have recently closed a deal in connection with the C. D. Charles Electrical Power project on the Deschutes river, making a \$35,000 commission. The company's power deal is estimated at \$6,000,000, the price of horse power paid by the Portland Railway, Light & Power Co. on the Clackamas. It will be remembered that Newton Hedin was a Cottrell boy who went to Portland to study law.

A great mountain cat was reported seen near Orient by some school boys that was "as big as a colt." It is possible that this is the same cougar that has been taking chicken back of the Lusted school.

It is said that the Gresham school board has placed a different interpretation on the new school law from that generally understood by the public, and will continue to charge outside pupils for tuition, though perhaps less than formerly. Those interested should look into the matter before any action is taken. Many think that the intention of the law is to provide for free tuition to outsiders, and such a course would be in conformity to the rules in many other places. It would not speak well for Gresham to be known as a district where pupils have to pay, with a large sum of public money in sight, especially as we are to have a new high school soon.

Additional Gresham Locals

The Ladies' Aid meeting at the home of Mrs. W. R. Burke last Wednesday was well attended and the business session was enthusiastic. Plans were made for aggressive work for the coming year. A delicious luncheon had been provided by Mrs. Burke, Mrs. O. A. Eastman, Mrs. James Elkington and Mrs. A. Dowsett, which was served at 4 o'clock. Misses Gertrude Eastman and Margaret Burke assisted the ladies in serving.

Bargain subscription rates for the Evening Telegram have been extended to February 1, at the rate of \$3.50 for one year. This price will positively be discontinued at that time. In connection with the Outlook, one year for \$4.50.

Owing to the absence of the pastor there will be no services at the Zion Evangelical church next Sunday.

His Stomach Troubles Over.

Mr. Dyspeptic, would you not like to feel that your stomach troubles were over, that you could eat any kind of food you desired without injury? That may seem so unlikely to you that you do not even hope for an ending of your trouble, but permit us to assure you that it is not altogether impossible. If others can be cured permanently, and thousands have been, why not you? John R. Barker, of Battle Creek, Mich., is one of them. He says, "I was troubled with heartburn, indigestion, and liver complaint until I used Chamberlain's Tablets, then my trouble was over." Sold by Gresham Drug Co., and all Dealers.

Pleasant Home Church News.

Immediately following the prayer service conducted in the Baptist parsonage every Wednesday at 7:30 p. m. a meeting of the building committee will be held. The members of this committee are urgently requested to be present.

Rev. A. J. Lucas, pastor of the Pleasant Home Baptist church will next Lord's day resume his special serial sermons which are of a very highly interesting and valuable nature to both young and old. The second sermon on the "Holy Spirit" will be preached at Orient church at 11 a. m., and at 7:30 p. m. in the Cottrell church. The second sermon on the subject, "Sin." All are most cordially invited to be present. The young people of both districts are especially invited.

By mutual desire of both above named congregations a union watch night service was conducted in the Methodist church in old Pleasant Home, December 31, and January 1. Quite a number were present. A very nice program was rendered in the form of a general testimony service conducted by Rev. Mr. Smith, pastor Methodist church, also a beautiful recitation by Mrs. E. Lovell, followed by an intermission when fruit was served by the ladies of the church. This was followed by a sermon preached by Rev. Mr. Wiles of Iliff, who was visiting here, and a closing address by Rev. Mr. Lucas, pastor of the Baptist church. Both congregations gathered around the altar in silent prayer as 1913 silently slipped out of existence while the tolling of the church bell announced the coming of 1914.

Rev. A. J. Lucas, pastor of the Baptist church was entertained to a splendid New Years dinner by Mr. McKenney of old Pleasant Home. A very enjoyable time was spent. Mrs. Markell joined the company for the afternoon. Pastor Lucas left early in order to make Portland in time to spend the evening with the Rev. and Mrs. S. A. Jamieson, returning late the following day.

Mrs. W. F. Honey was the hostess yesterday at an informal luncheon at her home on Honey Hill. Covers were laid for ten. The floral decorations were violets. The invited guests were Mrs. James Sterling, Sr., Mrs. J. N. Clananah, Mrs. L. L. Kidder, Miss M. Gilbert, Mrs. L. C. St. Clair, Mrs. Van Liew, of Seattle, and Mrs. George Honey. Mrs. Honey is a charming hostess and was ably assisted by her daughters, Misses Ada and Florence Honey.
