NEWBERG QUARTERLY M. E. CONFERENCE

The district quarterly meeting of the Free Methodist church, which was held at Newberg this last week, was an especially good one. It began Thursday evening, January 9th, with a good sized congregation, made up with visiting lay-members and ministers from the different circuits on the district as well as those residing at Newberg, and continued over Sunday. Every meeting showed increased interest. On Saturday morning, the quarterly conference was favored by a short address given by Rev. David McLeod of the California conference, and in the afternoon he preached a most excellent sermon.

On Sunday, both morning and evening, District Elder W. N. Coffee preached strong, logical and convicting sermons to a full house. Many hearts were touched by the spirit and the meetings doubtless left an impression on the community that will not be forgotten.

Sunday afternoon, the Women's Foreign Missionary society held a missionary meeting. Mrs. W. N. Coffee spoke on the subject of "Missions" and impressed upon her hearers the need of energetic work on the part of the church in extending the gospel to other lands. A paper was read stating the progress of the missionary movement in foreign fields and what encouraging steps were being taken in the direction of evangelizing the world in this generation.
