The county treasurer's bond in the sum of \$100,000 for the performance of his duties as Tax Collector has been approved by the commissioners and filed.

The Board of County Road Viewers has been instructed by the commissioners to view, survey and assess damages for reducing the width of county road No. 376 from 60 feet to 50 feet as petitioned for by J. N. Paris and others.

Only eight or even twelve regional banks won't go around very far, or thickly.

San Francisco is one of the cities that don't have to plead or argue for a regional bank.

The commissioner-secretaries gently hint that Portland and Seattle need to grow some yet.

Man named Drp tried to hold up a Tacoma bank cashier, but the banker got the drop on him.

Baconians and Shakespearians, like differing religionists, will never be convinced, one by the other.

There will be a very long list of the "also rans" after the primaries, but most of them will not have a fast or far.

MULEFOOT HOGS BRED AT BORING

Rev. Clarence True Wilson has become interested in breeding mulefoot hogs, an importation from Europe. He secured some of the animals in Oklahoma and sent them to the Mountain View Stock farm at Boring owned by Russell K. Akin. They are growing like weeds and will make the first 200 pounds in a shorter time than any other breed and at less expense.

They are jet black, about the shape of the Poland China, but with a marked individuality in their feet. The foot is not cloven or divided, nor is there any indication that there ever was a division. They have a round hoof like a colt or a mule, with a cushion that fills the whole hoof and gives to their walk and running a springy effect, making them as active on their feet as a calf or colt.

Mr. Wilson says, "They are the tamest, most rapid growers for the first eight months, the most prolific and careful mothers, and the herd boars are the tamest and gentlest of all hogs."

PLEASANT HOME STORE IS ROBBED

A mean robbery was perpetrated last Wednesday night when W. E. Markell's store at Pleasant Home was burglarized and some \$200 worth of merchandise was stolen. A large quantity of cigars and ladies' goods were taken, also a large amount of men's clothing and neckties, many jack knives and cutlery, also a large amount of rubber boots and shoes other goods. The sheriff was notified and came out.

Entrance was made by prying open a side door. The robbers emptied out several sacks of oats in the feed room and it is supposed they used the sacks to carry away the stolen goods.

How About Your Future?

A NEW YEAR lies before you—another twelve months of fresh opportunities. No matter what the old year brought for you, this year comes with fresh assurance of success—with new chances to "make good." But what you accomplish—how you use these opportunities—is entirely a matter for YOU yourself to determine.

If you like your present work—you are probably in the right line. Stick to it—and train yourself for a job higher up. If you don't like your work—if it offers you no chance for advancement—it's a safe guess that you are in the wrong line. And you had better look about you—and find out what work you do like—where your natural ability lies—and then train yourself along that line.

No matter how little progress you've made this year—whether you are in the right or the wrong line of work—if you will make up your mind to do it—with the help the International Correspondence Schools can give you—you can wring success from the next twelve months.

For 22 years I. C. S. has been assisting men to get into lines of work for which they were best fitted—have been helping them to train and develop their natural ability—to qualify for better positions and bigger salaries. They can do the same for YOU, no matter where you live, what you do, how limited your education, or how little spare time you may have.

Just mark on the coupon the position you would most like, and mail the coupon to the I. C. S. Without obligating you in the least they will show you how they can train you for this job in your own home during your spare time.

PLEASANT HOME AGAIN POSTOFFICE

Word has been received from the postoffice Department that a new postoffice has been ordered at Pleasant Home with L. F. Shinaman as postmaster.

Mr. Shinaman is expecting an inspector next week who will formally open the office for business. Mail will be sent direct from Portland on the Mount Hood cars, with probably a service twice each day.

A petition for a rural route is awaiting action and one will probably be established in a short time. It will have a serious effect on Gresham, No. 2, but the latter will probably be changed somewhat so as to cover other territory north and may not be shortened.

Pleasant Home was a postoffice about 20 years ago, but it was changed to Orient which was later discontinued.
