### Important Notice.

All the members of the Pleasant Home Baptist church are requested to be present for the business and covenant services to be conducted at the parsonage at 2 p. m. Saturday, February 14.

A most excellent program was rendered by the Pleasant Home band last Friday evening in the Orient grange hall to quite a large audience considering the short time the band has been organized and the few rehearsals held. The bandmen are worthy of the highest eulogies. The opening march, "Wine, Black Wine," by White, was played splendidly, followed by a beautiful solo by Miss Marian Robertson. Mr. Caddy, Jr., gave quite a series of musical numbers disguised as a "coon" playing the both violin and mouthorgan. The band student's troubles, staged by local talent was good, the principal actors being Messrs. John Dunn, Professor Quicksall, Oscar Carlson, Roy Calvia and others. Mr. Calvin took the delicate task of playing the part of Miss Grace which he did charmingly. Carl Bramhall rendered a solo, "A Perfection." "The Woodchuck," by Bert Cline was good. Messrs. Sletberling and Newman from Portland rendered both cornet and trombone duets.

Probably the most characteristic feature of the soiree was classified as the "Circus Band" which both created a furor of applause and intense mirth. This band consisted of very humorous costumes. Messrs. K. Nasshahn, C. H. Beyer, E. Beyer, C. Newman, W. Beyers, Frank Townsend and A. Beyer staged the performance. Mr. Newman played the trombone. Their costumes, especially that of Elmer Beyers, is worthy of highest praise. Several beautiful pieces were rendered and a wonderful amount of talent displayed which was all local except the two Portland men. Much credit is due Carl Beyer, who is band master of this already "par excellence," a band of 24 members with instruments of high quality that promises to hold its own with any city or military band. "Our boys" are doing splendid and anticipate rendering another concert at an early date.

C. Banks, Mrs. C. H. Banks, Miss C. MacPherson, Mr. Schneider and Mrs. J. Manary were with us yesterday. They all attended the Baptist service. Mrs. Banks presided at the organ and also sang beautifully "A Little Bit of Love." All except Mrs. Manary who visited her mother, Mrs. McKerrrow, of Gillis, were guests of Mrs. S. Stone.

Mrs. Badstubner visited here yesterday being entertained by her grandson, Ernest Miller. Rev. A. J. Lucas joined the party for dinner.

Mr. Parker has recently come to live and work with E. Miller, both men are cutting for Mr. Hutchins.

Rev. A. J. Lucas preached twice yesterday on the Judson centennial, this being a very great feature of the Baptist Mission work. Adoniram Judson and his wife being the two first Baptist missionaries to face the extreme difficulties and problems with the many excruciating hardships and suffering, such as were to be contended with in Burmah one hundred years ago. Mr. Lucas preached two very powerful sermons on the theme, "Our Mission to the World," relating of the most interesting facts in connection with the noted India missionaries.

Judson Centennial. In connection with the above special meetings will be conducted in the Cottrell church Wednesday, February 11, at 7:30 p. m., and Thursday, February 12, at the same hour in the Orient church, both services will be addressed by Mrs. Banks, who has extended experience in Home and Foreign Mission work. A very large audience is urged.

## WOMEN CALF BUYERS UNDER SUSPICION

Two women in a buggy were seen in Pleasant Valley yesterday, their ostensible mission being the purchase of calves. They called at the farms of E. A. Baker and Paul Bliss and insisted on "being shown" when informed that no calves were for sale.

It will be remembered that two women were doing the same thing when so many calves were stolen two years ago, and the gang may be getting ready for business again.

At that time the women would visit a farm, size up the calves and the barnyard and in a few days the calves were missing. The women were never known to buy, being always ready with an excuse or objection to the stock.

The two women seen yesterday are supposed to be the same ones.

## How Is Your Boiler?

It has been stated that a man's stomach is his boiler, his body is his engine and his mouth the fire box. Is your boiler (stomach) in good working order or is it so weak that it will not stand a full load and not be able to supply the needed energy to your engine (body)? If you have any trouble with your stomach Chamberlain's Tablets will do you good. They strengthen and invigorate the stomach and enable it to do its work naturally. Many very remarkable cures of stomach trouble have been effected by them. For sale by Gresham Drug Co., and all Dealers.

# How About Your Future?

A NEW YEAR lies before you—another twelve months of fresh opportunities. No matter what the old year brought for you, this year comes with fresh assurance of success—with new chances to "make good." But what you accomplish—how you use these opportunities—is entirely a matter for YOU yourself to determine.

If you like your present work—you are probably in the right line. Stick to it—and train yourself for a job higher up. If you don't like your work—if it offers you no chance for advancement—it's a safe guess that you are in the wrong line. And you had better look about you—and find out what work you do like—where your natural ability lies—and then train yourself along that line.

No matter how little progress you've made this year—whether you are in the right or the wrong line of work—if you will make up your mind to do it—with the help the International Correspondence Schools can give you—you can wring success from the next twelve months.

For 22 years I. C. S. have been assisting men to get into lines of work for which they were best fitted—have been helping them to train and develop their natural ability—to qualify for better positions and bigger salaries. They can do the same for YOU, no matter where you live, what you do, how limited your education, or how little spare time you may have.

Just mark on the coupon the position you would most like, and mail the coupon to the I. C. S. Without obligating you in the least they will show you how they can train you for this job in your own home during your spare time.
