

NOTICE!

WE ARE ASSURED THAT ON

Friday, February 20th

an ordinance will be passed in the city of Portland that no Beef, Hogs, Veal or Mutton will be allowed to be sold unless it has been killed under Government inspection, and in a slaughter house conforming to all the laws, rules and regulations required by the Government. Consequently all persons having animals ready to be killed, should avail themselves of the opportunity at once, as when the ordinance is passed everything will have to be taken to the stockyards alive, and sold for what they will fetch, and killed by the Union Meat Co., (Swift & Co.,) as that is the only plant conforming to the Government regulations in the state.

A New Convenience

for the people of Eastern Multnomah county. The First State Bank has this year expended considerable time and money in securing a tax roll for Gresham and vicinity. People may now go to the bank and pay the amount of their taxes and the bank will obtain for them proper receipt from the county treasurer, and thus avoid the necessity of waiting in line for an opportunity to reach a clerk who can make up a statement and then get in line again with another tiresome wait in order to pay the cashier and get statement receipted, to finally find that you are just three minutes late for the second car that you expected to take home with another wait of an hour before you.

While the First State Bank has no roll for Clackamas county, any one desiring to pay taxes through the bank may do so by sending a description of their property to the bank requesting that the taxes be paid. Taxes in other counties in Oregon and Washington will be handled in the same manner.

A synopsis of the new tax law was published by the First State Bank in its last published statement. If not thoroughly understood call at bank for further explanation.

Crottell

We regret saying Mr. Dewee, who has been a resident with us for some time on the Griffin farm, is very much indisposed with the grip.

Gillis

Howard Lake is reported seriously ill with pneumonia.

Mr. and Mrs. Will Hillyard's youngest daughter is just recovering from several days' illness.

A very pleasant birthday surprise dinner party took place Saturday when several friends called upon Mrs. F. MacKerrow of Gillis, who had attained her sixty-third birthday. Though blind for over seventeen years, Mrs. MacKerrow was in the very best of spirits and looking real well. In spite of her sorrowful affliction, her home is nevertheless one of the most cheerful either stranger or friend may wish to visit. Her ever tender, patient and sincere christian life has won for her many true friends. The guests were A. F. Chase, Mrs. W. E. Markell, Mrs. Strickler, Mrs. R. MacKerrow, Rev. A. J. Lucas and Miss Annie MacKerrow. A splendid dinner was served, and both gifts and beautiful letters were received by the honorable hostess.

Pleasant Home

The Judson Centennial year services held this week at Pleasant Home proved quite a success, and much praise is due to those who labored strenuously in order to make them interesting. The first took place Wednesday afternoon at Cottrell when Rev. A. J. Lucas, pastor of the church who himself has had a very extended missionary experience for years in missions, where many nationalities were represented, spoke to an interested audience. Thursday afternoon at Orient, Mrs. Banks, a returned missionary from Africa, delivered a very beautiful address. In both instances, memoirs and biographical interesting sketches in the life of the famous pioneer Judson and wife, missionaries to India, were beautifully dealt with. Sincere thanks are extended to all concerned not forgetting the Watson orchestra who rendered beautiful music with organ, violin and guitar. The members being Messrs. Lind and Lind, Mr. Elliott, Miss Elliott, Mr. Watson.

We regret saying Miss Ida Miller has been quite indisposed for some days with a touch of the grip. Mrs. Miller, Sr., took her place last Sunday at Cottrell Baptist Sunday school of which Miss Miller is superintendent.

The simplest and best way to free metal forms from hardened concrete is to heat them slightly and then cool them suddenly with cold water. The resulting expansion and contraction will break off the concrete. Care should of course be taken not to heat the forms so hot as to injure them.

How Is Your Boiler?

It has been stated that a man's stomach is his boiler, his body is his engine and his mouth the fire box. Is your boiler (stomach) in good working order or is it so weak that it will not stand a full load and not be able to supply the needed energy to your engine (body)? If you have any trouble with your stomach Chamberlain's Tablets will do you good. They strengthen and invigorate the stomach and enable it to do its work naturally. Many very remarkable cures of stomach trouble have been effected by them. For sale by Gresham Drug Co., and all Dealers.

How About Your Future?

A NEW YEAR lies before you—another twelve months of fresh opportunities. No matter what the old year brought for you, this year comes with fresh assurance of success—with new chances to "make good." But what you accomplish—how you use these opportunities—is entirely a matter for YOU yourself to determine.

If you like your present work—you are probably in the right line. Stick to it—and train yourself for a job higher up. If you don't like your work—if it offers you no chance for advancement—it's a safe guess that you are in the wrong line. And you had better look about you—and find out what work you do like—where your natural ability lies—and then train yourself along that line.

No matter how little progress you've made this year—whether you are in the right or the wrong line of work—if you will make up your mind to do it—with the help the International Correspondence Schools can give you—you can wring success from the next twelve months.

For 22 years I. C. S. have been assisting men to get into lines of work for which they were best fitted—have been helping them to train and develop their natural ability—to qualify for better positions and bigger salaries. They can do the same for YOU, no matter where you live, what you do, how limited your education, or how little spare time you may have. Just mark on the coupon the position you would most like, and mail the coupon to the I. C. S. Without obligating you in the least they will show you how they can train you for this job in your own home during your spare time.
