#### Taylor Avenue

The sad death of Michel Coleman occurred last week after an illness of 24 hours. He leaves a wife and four children the oldest 11 years and the youngest two years.

Died, on February 9 at Ventura Park, Mrs. Decker, who has been sick all fall and winter, with consumption. He leaves a wife and one daughter to mourn his demise.

There is a petition before the county commissioner to improve Taylor avenue from the Base Line to the Section Line road, a distance of 1 mile. This road has been used as a public highway for more than ten years and the county has never improved the road and the public demand improvement.

Mr. Noisler, from Mollala, has bought the Todd 8-acre tract and has moved in.

Noah Perry has moved the house that Dr. Hedland owned on his half acre tract and built a basement which adds to the value to the property.

Mr. McCoy has bought the half acre tract from Dr. Hedland for \$900.

Mr. Perry met with an accident last Monday. His foot caught in his cart and he was thrown under the wheels and run over.

Mr. Dickson is working nights on the tax books in the city.

The spirit of good roads is now raging and unless there is some activity by the property owners the county commissioners will pass us by.

A surprise was given to W. B. Keen on his 66th birthday last Saturday evening by 22 of his good neighbors and they gave him the surprise of his life. The following are the names of those who participated: Mrs. M. E. Peckens, Mr. and Mrs. Philip Peckens, Miss Phyllis Peckens, Mr. and Mrs. Hal Dickson, Miss Margaret Dickson, Mr. and Mrs. Noah Perry, Mr. and Mrs. Wm. Morris, Mr. and Mrs. F. Antonson, Miss Dagmar Antonson, Mr. and Mrs. Wm. Udey, Mr. and Mrs. W. O. Smith and Mr. Walter and Ethel Orewiler. After refreshments were served, games, recitations, songs, and stories were indulged in and at 11 o'clock they all departed for their home well pleased by calling on Mr. and Mrs. Keen.

#### Columbia Heights

It seems like the school teachers in the city of Portland would have no trouble meeting with success in the school room, as they have great help of the mother or parent-teachers' club. Why are we not doing the same in the country? We surely owe the same duty to the country school marm and the children as well. It is never too late to start a good movement, and no doubt the condition in many districts would be benefited if the parents would make an effort to visit school often, and to co-operate with the teacher, giving her all possible assistance. Our teacher's task is not a little one by any means, some people think that the teachers all have a snap, and earn their money easy. But if we stop and consider her position I should like to know who would change with her. She must be the boss, show tact, and my goodness, never lose her temper, or else she is likely to get a note from somebody. She has them all every day, big and little, good and bad. Dear reader, don't you think she needs your support. One thing is sure if we have a good teacher, it is wise to keep her. It is a hindrance to the children to change too often.

G. Jackson and his daughter Ada, are both down with the grip, but at this writing both are some better.

Mrs. C. Illidge is at present in the city with relatives.

Mr. Loderstrom will have charge of the place owned by Purin and Bram the coming summer.

The east wind has had a good hold here and our highway is drying up so we are able to pass again.

It would be a good thing to have everybody make war on the rats right now, before we get the little chicks out. We have been or rather are fighting the rats right along. We lay poison out and set traps all the time, but it don't do much good unless our neighbors will do the same. We are satisfied that the biggest loss of little chicks every summer is taken by the rats, so get busy. Do all you can to get rid of these nasty germ laden pests.

#### Mrs. Nancy Roberts Laid to Rest

The funeral of Mrs. Nancy Roberts, who died at her home in Portland on last Monday, was held yesterday at the Baptist church, Gresham. Dr. W. H. Fry, of Sunnyside Methodist church preaching the sermon. Rev. J. H. Wood assisted in the service. Preliminary services were held in the Sunnyside church where Mrs. Roberts has been for several years a member. A large concourse of friends gathered to pay their last respects to the memory of a loving wife and mother and a faithful friend, among whom were many comrades of pioneer days.

Dr. Fry's remarks, from the text, "As one whom his mother comforteth, so will I comfort you," were beautiful and touching and especially helpful.

They spent the winter in Missouri and in the spring proceeded across the plains, arriving in Oregon in the fall of 1854. They took up a donation land claim five miles east of Gresham, where their family was reared and where Mr. Rook died, April 10, 1884. In 1888 Mrs. Rook was married to John Roberts who died several years ago. In 1898 Mrs. Roberts moved to Portland, where she made her home until her death.

Mrs. Roberts was a member of Sunnyside Methodist church of Ben Butler Relief Corps and Lents grange. She was known far and wide for works of mercy and help. #### LIFE SKETCH OF MRS. MARY SIMON

The funeral of Mrs. Mary Simon was held last Wednesday afternoon at the Methodist Episcopal church, the sermon being preached by Rev. Melville T. Wire, from the text, "We know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens." Music was furnished by a quartet consisting of Mrs. L. C. St. Clair and Mrs. J. N. Clannahan, C. E. Rusher and Bert Lindsey. One of the hymns sung was "Oh when shall I see Jesus" which had for years been a favorite with the deceased.

Mr. and Mrs. S. M. Dougherty, of Snowden, Washington, son-in-law and daughter of Mrs. Simon, were here to attend the funeral. The pall bearers were F. A. Holliday, Dr. R. H. Todd, Geo. Leslie, Dan Metzger, B. W. Emery and Chas. Cleveland.

Mrs. Mary Simon, whose maiden name was Mary Miller, was born in Lancaster county, Penn., November 11, 1824. She was married at the age of 26. She lived in her native state all the active years of her life, having been a resident in the West only five years.

Her husband preceded her to the great beyond; having died January 6, 1888.

Nine and a half weeks ago she was stricken with paralysis, but lingered until Monday, February 16, when she passed over the river. She was a self-sacrificing and devoted wife and mother and lived a long and varied life, being 89 years, three months and five days old when she died. She was a faithful and active christian, a member of Mennonite church.

She leaves a daughter, Mrs. S. M. Dougherty of Snowden, Washington, with whom she resided at the time of her death. She leaves also three granddaughters, Mrs. A. H. Beinfuhr, of Pekin, Illinois, Mrs. D. F. Talbot, of Gresham, Oregon, Miss Mae Dougherty, of Gresham, and five great grandchildren, Misses Helen and Lois Beinfuhr, of Pekin, Ill., and Misses Frances and Margery and Master D. Fenton Talbot, of Gresham, Oregon. Mrs. Simon leaves also a sister, Mrs. Catherine Bishop of Litzing, Pa., who is now the only surviving member of a family of fourteen children.

We desire to express to the friends at Gresham our heartfelt appreciation of their sympathy on the occasion of the death of our beloved mother, Mrs. Simon.

## How About Your Future?

A NEW YEAR lies before you—another twelve months of fresh opportunities. No matter what the old year brought for you, this year comes with fresh assurance of success—with new chances to "make good." But what you accomplish—how you use these opportunities—is entirely a matter for YOU yourself to determine.

If you like your present work—you are probably in the right line. Stick to it—and train yourself for a job higher up. If you don't like your work—if it offers you no chance for advancement—it's a safe guess that you are in the wrong line. And you had better look about you—and find out what work you do like—where your natural ability lies—and then train yourself along that line.

No matter how little progress you've made this year—whether you are in the right or the wrong line of work—if you will make up your mind to do it—with the help the International Correspondence Schools can give you—you can wring success from the next twelve months.

For 22 years I. C. S. have been assisting men to get into lines of work for which they were best fitted—have been helping them to train and develop their natural ability—to qualify for better positions and bigger salaries. They can do the same for YOU, no matter where you live, what you do, how limited your education, or how little spare time you may have. Just mark on the coupon the position you would most like, and mail the coupon to the I. C. S. Without obligating you in the least they will show you how they can train you for this job in your own home during your spare time.
