Chronic Stomach Trouble Cured.
There is nothing more discouraging than a chronic disorder of the stomach. Is it not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by Gresham Drug Co., and all Dealers.

MAXWELL "25 - 4"

JAMES H. BECKER
LONG BEACH,
NEW YORK.

Mr. W. E. Flanders,
President and General Manager,
Maxwell Motor Company, Inc.,
Detroit, Michigan.

Dear Sir:—

I think I ought to know what constitutes a good automobile—and I have been in the business too long to hand bouquets to the undeserving.

I want to say that the Maxwell car which I bought some time ago, is one of the best cars from the standpoint of performance and reliability I have ever driven.

My car was one of the very first of this model—being Number 7. After driving it over 7000 miles I am convinced that I saved from \$200 to \$300 in purchasing this car, because in my judgment there is no other make selling for less than \$1500 that is any better.

In fact the Maxwell is a wonderful car for the man who wants power, reliability, good looks and at the same time low maintenance cost.

Yours very truly,
J. H. BECKER.

The directors met last Monday evening at the schoolhouse and engaged the services of Miss Marian Robertson for another term. The school is in a thriving condition. When children have confidence in a teacher it seems they get along much better. This will take her through 1915 which will make her third term.

The school had an exciting debate last Friday. The question was, Resolved that water is greater than fire. The affirmative was led by Wilbur Altman, followed by Lenora Eder, Vada Quay, Willie Sester, Fred Erz, Raymond Colburn. The negative leader, Carl Goger, was followed by Harry Carlson, Eddie Hamilton, Harold Eder, Ida Sester and Jessie Williams. Both sides made excellent points and deserved great credit. However the judges decided in favor of the affirmative.

Ralph Neibauer has been visiting friends in this vicinity several days. Ed Hamilton's house has been much improved in appearance by a good coat of paint. The work was done by Mr. Hamilton's nephew, Walter Hamilton, recently from Los Angeles, California.

Cedarville

Several cars heavily loaded with ties stuck on the side track the other day. Rotten ties were responsible for the accident, no other damage was done.

Mrs. May Ruegg entertained the needlecraft give-and-take club last Thursday. They report a pleasant time. These little gatherings are very enjoyable.

Mr. Cogswell is meditating the proposition of a new store.

Percy Glese is adding some conveniences to his house in the shape of a new bath room.

Some of the folks are planting garden already.

For quick disposal we will sell apple, peach, pear, prune, plum and apricot trees, from 5 to 10 cents each according to quantity, f. o. b. Gresham Nursery, Tree yard, J. N. Clananhan's residence, Main street, Gresham.
