LAFFERTY FIGHTS FOR FREE TOLLS

Being a member of the House Committee on Interstate and Foreign Commerce, Congressman Lafferty, from this district, was in a position to make a minority report against the president's repeal measure. Mr. Lafferty made good use of the opportunity, filing a strong report against repeal, which furnished the foundation for the speeches of several members who opposed repeal on the floor of the House. A

Congressman A. W. Lafferty.

part of Mr. Lafferty's minority report follows: "Prof. Emory Johnson, of the University of Pennsylvania, has just stated that if the United States exempts coasting vessels from the payment of tolls the government will lose thereby in canal revenues the sum of \$20,000,000 in ten years. From an economic point of view can not the people well afford to lose \$20,000,000 in revenue from canal tolls in 10 years if, by so doing, they save in the same period \$100,000,000 or more in freight rates?"

"The people have already put into the canal \$400,000,000, equal to \$4 per head of our population, and no one proposes to get that back. It is only proposed to charge tolls to maintain the running expenses of the canal. The \$20,000,000 that we would lose in canal revenues in 10 years by exempting coasting vessels would be only 20 cents per head of our population. By that policy no citizen would lose in canal revenues over 60 cents in 30 years—a generation.

"Now, while each generation would lose in canal revenues 60 cents per head by exempting coasting vessels, how much

would they gain thereby? Say the tolls will be \$1.50 per ton. At that rate lumber shipped from the Pacific coast to New Orleans or New York would pay \$2.25 per thousand feet for passing through the canal, as a thousand feet of lumber weighs practically a ton and a half. That would make Pacific coast lumber cost in the Mississippi valley or on the Atlantic seaboard \$2.25 more per thousand feet than it would cost if we exempt our coastwise trade from the payment of tolls. On this one item of lumber alone each citizen east of Kansas City who builds a house during his lifetime would profit free canal tolls from \$25 to \$100, while he would save by charging tolls only 60 cents. Savings in food products and other heavy freight from coast to coast would be in like proportion.

"The secret of this great economic advantage is that canal rates will affect transcontinental rail rates, and thereby the saving to the American people from free tolls in forcing reductions in rail rates will be millions, while the saving in revenues by refusing to exempt our coasting vessels from the payment of these tolls will be negligible."

County Commissioner.—Elect two—Philo Holbrook, Rep.; John B. Schaefer, of Linnton, Rep.; Rufus C. Holman (incumbent) Rep.; W. S. Conser, Rep.; C. W. Hohit, Rep.; D. V. Hart (incumbent), Rep.; G. M. Orton, Rep.; Benjamin Brick, Dem.; Thomas J. Kreuder, Rep.; John Driscoll, Rep.

Justice of Peace, Multnomah District.—Elect one—D. S. Johnson, Rep.; B. F. Rollins, Dem.

Four of the candidates are not opposed for the nomination, either in their own or in other parties. This assures the nomination of John B. Coffey, for county clerk; John M. Lewis, for county treasurer; Sam B. Martin, for county auditor, and D. S. Johnson, for justice of the peace, Multnomah District.

Only one office has gone begging. Apparently no candidate, regarded the position of constable of the Multnomah district worth going after.

For the places of precinct committeemen there were about 252 filings in the more than 340 precincts. No one in either of the two Gresham precincts nor those surrounding thought the empty honor worth striving for.

A peculiarity of all the filings is revealed in the fact that there is not a candidate for any county office in all the territory east of Mount Tabor except that of R. W. Gill for the legislature. And he lives inside the Portland city limits in the Montavilla district. He is the only farmer in the entire lot, and as such is entitled to the full support of every republican in Eastern Multnomah.

There is one candidate, however, for a judicial office who lives in Gresham. George W. Stapleton, candidate for circuit judge, lives here and will poll the heaviest vote of anyone. He is the only one the voters of this section are directly interested in.
