Do not forget that Judge Cleeton closed the bridges, thereby giving to those who had to cross the bridges during the busy part of the day closed periods for three half hours each, morning and evening.

## RELIES ON RECORD AS CIRCUIT JUDGE

After a service of more than six years as a Circuit Judge in Multnomah county, C. U. Gantenbein has again entered the race and is a candidate for the Republican nomination for Judge of Department Six.

Mr. Gantenbein also served three years as Judge of the Juvenile court and for the past eleven years he has occupied the position of Dean of the Law Department of the University of Oregon. During the Spanish-American war Colonel Gantenbein served with the second Oregon Infantry through many engagements in the Philippine Islands.

Shortly after his return, Mr. Gantenbein retired from military life and was elected Circuit Judge of Department Four. While acting in

this capacity, Mr. Gantenbein heard an unusual number of test suits and a large proportion of trials involving moral degeneracy. His retiring from the bench at the expiration of his term, January 4, 1913, not having been a candidate for re-election, was a distinct loss to the commonwealth.

His platform is short and is as follows: I rely upon my record as circuit judge and if nominated and elected I will continue to administer justice without delays of technicalities and as an earnest advocate of judicial reforms.

As a soldier, a University Dean, a Juvenile and Circuit Judge Mr. Gantenbein has made a record in the service of the people that again calls for his election to the Circuit bench.—Paid Adv.
