T. J. CLEETON

Circuit Judge for Multnomah County
"Less Delay, Less Technicality and More Justice in Our Courts."

Candidate for the Republican Nomination for

Justice of the Supreme Court

Do not forget that the Supreme Bench of Oregon is composed of seven members; four of the seven places are to be filled at the forthcoming election. Multnomah County is not represented on the Supreme Bench. Judge Cleeton is the only candidate for the Supreme Bench from Multnomah County. Do not forget that Judge Cleeton closed the bridges, thereby giving to those who had to cross the bridges during the busy part of the day closed periods for three half hours each, morning and evening. Remember, also, that he upheld the minimum wage law, and declared the tax penalty law invalid.—Paid Adv.

RELIES ON RECORD AS CIRCUIT JUDGE

After a service of more than six years as a Circuit Judge in Multnomah county, C. U. Gantenbein has again entered the race and is a candidate for the Republican nomination for Judge of Department Six.

Mr. Gantenbein also served three years as Judge of the Juvenile court and for the past eleven years he has occupied the position of Dean of the Law Department of the University of Oregon. During the Spanish-American war Colonel Gantenbein served with the second Oregon Infantry through many engagements in the Philippine Islands.

Shortly after his return, Mr. Gantenbein retired from military life and was elected Circuit Judge of Department Four. While acting in

this capacity, Mr. Gantenbein heard an unusual number of test suits and a large proportion of trials involving moral degeneracy. His retiring from the bench at the expiration of his term, January 4, 1913, not having been a candidate for re-election, was a distinct loss to the commonwealth. His platform is short and is as follows: I rely upon my record as circuit judge and if nominated and elected I will continue to administer justice without delays of technicalities and as an earnest advocate of judicial reforms. As a soldier, a University Dean, a Juvenile and Circuit Judge Mr. Gantenbein has made a record in the service of the people that again calls for his election to the Circuit bench.—Paid Adv.

FAIRVIEW, May 11—The parent-Teacher association held their regular monthly meeting on Friday afternoon at which time the officers for the coming year were elected. Mrs. J. T. Heslin was elected president, Mrs. J. W. Benecke vice president and Mrs. Grant Shaw secretary and treasurer. The next meeting will be held the second Friday in June.

The Ladies' Aid of the Presbyterian church met at the church on Thursday where they tied out a quilt for Mrs. R. A. Weidman which was pieced by her mother and sent to her from England. Those who met for the afternoon were Mesdames J. W. Townsend, G. R. Shaw, J. N. Faris, E. D. Holgate, J. W. Moller, H. M. Shaw, D. W. McKay, Eliza Stone, Chas. Robbins, Grant Shaw, A. L. Harvey, R. A. Weidman, N. A. Yokom and R. Buckbee, Misses Eva Townsend and Ruth Shaw.

Health a Factor in Success.

The largest factor contributing to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the digestion. They are sold by Gresham Drug Co., and all Dealers.

Troutdale

TROUTDALE, May 11—The Parent-Teachers' association held their last meeting for the school year on Friday afternoon. There was a lengthy program furnished by the pupils of the school and a club swinging drill by the members of the Girls' Athletic club, which was followed by refreshments of ice cream and cake, which were served by the ladies of the association.

Will Corning, of Florence, Colorado, is the guest of R. D. Bailey and family.

Loveapple Day.

Friday all day was Loveapple day at the P. V. A. station.

A thousand and some hundreds of loveapple trees were distributed over the byways and down the highways by the "Brownies" of Palmer Cox fame and the rich and the poor were all treated alike. About two dozen trees for everyone was left on condition that they be planted and cared for and be made to bear fruit.

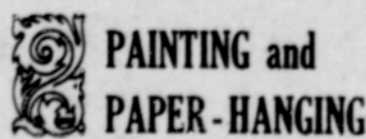

The live wire of the P. V. A. station, Loveapple Jack, says, "there should be a thousand tons of loveapples grown in Powell Valley next year, and I will furnish free of charge large choice plants in pots to the Orient and Powell Valley schools right away this spring, together with modern cultural directions and suggest that the scholars be given two minute sermon that they may be instructed in the simple art of caring for the loveapple plant, as to pruning, staking and pollination.

Many thousands of these plants will be set out this year and with ordinary conditions I should have many thousands of boxes of choice loveapples. Glad you came, call again," and our special correspondent was left staring into space. This was his busy day. Thanks, we'll call again.

Rheumatism Quickly Cured.

"My sister's husband had an attack of rheumatism in his arm," writes a well known resident of Newton, Iowa. "I gave him a bottle of Chamberlain's Liniment which he applied to his arm and on the next morning the rheumatism was gone." For chronic muscular rheumatism you will find nothing better than Chamberlain's Liniment. Sold by Gresham Drug Co., and all Dealers.
