RULES FOR FLOWER SHOW AT GRESHAM

An excellent feature of the day is going to be the flower show. It is in charge of the Women's committee, who have formulated a set of rules arranged the prize list and secured the prizes all of which have been donated. The following rules and prize list will be the only one printed, hence those who are interested should retain a copy of this paper for reference. Following are the rules governing competition:

- 1 All flowers entered for prizes must be grown out of doors. Entries other than wild flowers, must have been grown by person making entry.
 - 2 All roses or sweet peas entered for prizes must be grown and cultivated by amateurs.
 - 3 To prepare exhibits for competition use a neat white card three inches long by one inch wide. On one side write name of flower, on the other write the section, class and number in which you wish to exhibit.
 - 4 Exhibits will be received at the fair grounds between 2 and 6 p. m., on July 3d and between 8 and 9 a. m. July 4th.
 - 5 Any exhibit for prizes bearing name of exhibitor will be disqualified. Prizes must be awarded by numbers. Name of exhibitor will be given afterwards.
 - 6 Exhibits for display not for competition may be entered bearing name of exhibitor.
 - 7 Only vases furnished by the committee may be used.
 - 8 When a certain number of flowers is specified there must be neither more nor less than that number entered.
 - 9 All flowers must be good specimens. No award will be given for inferior flowers though they are the only ones entered for competition.
 - 10 No admission will be charged to the exhibition, but an entrance fee of 10 cents will be charged to each competitor.
- The prizes for the flower show are on display in window at the Bank of Gresham.

Boring

BORING, June 24—A number of Boring people are spending their vacation at Brooks, Oregon, picking Loganberries. They report a good crop of berries and a fine time for themselves.

An entertainment and ice cream social will be given Saturday evening June 28, in the grove on the Rose City dairy, better known as Meyer's place. A splendid musical and vocal program has been arranged by the girls of the intermediate class of Boring M. E. Sunday school. A few others will assist and all are assured a fine time.

Stella Stone, one of the girls from the intermediate class, was married this week to a Mr. Morris, of Portland. We all join in wishing them a long and happy married life. They will make their home in Portland.

Mark Wilmarth from Eastern Oregon, formerly of Boring, is visiting friends and relatives at Boring and Gresham.

Mr. Jonsrud is very busy at present putting up the new iron clad silo for R. S. Sabin on the Rose City dairy.

Florence Vessie, of Portland, is again a guest of her aunt, Mrs. Ott. Boring young people are planning on spending July 4th at Sandy, where everyone always has a good time.

Rev. David Wolf, rural letter carrier at Boring, who went to the hospital on May 16, is looking for one of his horses which is missing from the pasture. It is a black with heavy mane on left side of neck, weighs about 1100 pounds, branded C. S. on left hip and has heavy saddle scars. Mr. Wolfe is now at Goodnoe Hills, Washington, but expects to be home by July 15.

The women played such a prominent and successful part in making Gresham go dry last fall; we are going to give the boys and girls a chance to share in the glory of hitting their worst enemy, and making Oregon dry, by organizing "The Young Campaigners."

True the children have no vote, but they are vote getters when it comes to the saloon question, and protection of the home.

We ought to have 500 young campaigners in our Fourth of July parade.

The Oregon primaries were held on May 5. It now seems certain that all parties have nominated dry men for governor. The democrats have nominated Dr. C. J. Smith, who was understood to be the candidate of Governor West, and ran upon a platform of rigid law enforcement. The republicans have nominated Dr. Jas. Withycombe.

As between the two, the wets will probably vote for Dr. Withycombe, hoping thereby to spite Governor West, but it will be swallowing a bitter pill. Dr. Smith has been active and outspoken for temperance and law enforcement in the city of Pendleton. Dr. Withycombe has openly supported the dry campaigns which made Corvallis and Benton county dry. Each of them carried their home counties by overwhelming majorities.

The republicans have nominated George M. Brown, of Roseburg, for attorney general. Mr. Brown is the attorney who put the Roseburg brewery out of business and convicted every official connected with it. He also had the record of putting some fraternal lodges and club houses out of business. In addition to receiving the republican nomination, Governor West, the leader of the democratic party in the state, has pledged him support because of his law enforcement record.

The republicans have re-nominated Judges Henry J. Bean and Thos. A. McBride, the latter the present chief justice. Each of these men voted for the drys in the local option election cases last fall. For the third place the republicans have nominated Lawrence T. Harris, whose deci-

Kelso

The union high school measure in the district was defeated by 11 to 6 votes. It could easily have passed if those in favor had come out to the school meeting. The high school petition in this district received twenty signatures and could have had more, all of whom were in favor of the union high school. Moral—If you want to make sure of a good thing come out and vote for it.

Mrs. Barnum has been elected principal of our school and Miss Anna Erickson, primary teacher, both are of Portland.

T. B. Milan has gone to Portland, where he expects to remain for some time in charge of road work.

Haley

Rev. F. Dobberful, of Sandy, spent Monday with W. Mueller and family. W. J. Mueller and T. Adams made a trip to Gresham Sunday last.

Miss H. Guldenzop, of Kelso, spent Monday night at the home of W. Mueller.

Take Plenty of Time to Eat.
 There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by Gresham Drug Co. and all Dealers

The democrats have re-nominated for the supreme court, Judge W. M. Ramsay, present incumbent, who supported the drys in the decisions last fall, and nominated Judge William Galloway, who uniformly decided for the wets. Thus, every candidate for the supreme court but one is a dry.

With this situation confronting us, it leaves the drys free to confine their attention to the amendment, save for scrutinizing the candidates for the state legislature. This is a matter for each county to determine for itself, as the state organization cannot deal with candidates from counties this year when the amendment matter has to be pushed.

It would be wise also for each county to scan carefully the candidates for district attorney and sheriff

The results recorded above are all the more remarkable since the dry vote for governor was in each instance divided. In the republican primaries Withycombe, Brownell, Geer and Carter were known drys. Johns and Moser were regarded as the wet candidates, and the result showed that practically the entire wet vote was "plumped" for Moser. In the same way the wet and anti-West faction of the democratic party plumped all of its strength on Judge Bennett. The dry vote was divided between Dr. Smith and G. A. Cobb in the democratic primary.

Mrs. McAlpine will lead the devotional meeting of the League Sunday night.

J. S. Otis has been confined to his home for a few weeks past with heart trouble. His many friends hope to see him out again soon.

Communion services will be held at the Methodist church next Sunday at the 11 o'clock hour. Rev. T. L. Smith will preach. Epworth League at 7:30 p. m.

Melrose

Cedar school Dist. No. 10 at its annual meeting by a unanimous vote rejected the furnishing of free text books for school purposes.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Every family without exception should keep this preparation at hand during the hot weather of the summer months. Chamberlain's Colic, Cholera and Diarrhoea Remedy is worth many times its cost when needed and is almost certain to be needed before the summer is over. It has no superior for the purposes for which it is intended. Buy it now. For sale by Gresham Drug Co., and all Dealers.

In spite of this fact, Dr. Smith was nominated, out of the entrance of a second dry candidate reduced his plurality to a very small margin, and might easily have defeated him.

Summing up these results, the drys have reasons for very great encouragement from the results of the primaries. The straws point toward a dry victory, provided the dry forces are united and co-operating.—The New Republic, May 29, 1914.
