

The S. W. Miller Piano

R. R. Carlson's Economical Methods of conducting his business qualifies him to offer Piano Bargains, and enables him to undersell some of the big houses where expenses are excessive, and which leads to higher prices for Pianos of only equal value; also allows him to give better terms of sale.

Compare the Tone, Quality and Finish of the S. W. Miller Piano with others selling from \$500 to \$600.

It is easier to drive some men to drink than it is to hold them back.

Sandy

Sandyites are rejoicing over the fact that it is now a sure thing that a high school will soon be looming up in our midst. It was thought at first that the proposition did not carry on account of a misinterpretation of the law by the authorities at Salem.

Spent the Fourth at Sandy. Come early and stay late. Big doings all day.

Anton Malar is in Oregon City on business.

Haying is under way in these parts. Quite a number are planning to attend the Gladstone Chautauqua next week.

The Best Medicine in the World.

"My little girl had dysentery very bad. I thought she would die. Chamberlain's Colic, Cholera and Diarrhoea Remedy cured her, and I can truthfully say that I think it is the best medicine in the world," writes Mrs. William Orvis, Clare, Mich. For sale by Gresham Drug Co. and all Dealers.

CHOOSE THE LEAST.

Briggs—"You must have a lot of trouble keeping your wife dressed up in the height of style."

Griggs—"Yes, but it is nothing to the trouble I'd have if I didn't."

A GREAT RESPONSIBILITY.

Teacher—"Johnny, give us a sentence illustrating the meaning of responsibility."

Johnny—"When one of your back suspender buttons comes off it puts a great responsibility on the other button."

Surprising Cure of Stomach Trouble.

When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stengle, Plainfield, N. J., writes, "For over a month past I have been troubled with my stomach. Everything I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want."
