STOLEN MACHINE STUCK IN THE MUD

Two young men were brought to Gresham early on Sunday morning by Dick Milleson who would be heartily welcomed at the Hotel Sherill DeWard.

A phone message about Saturday midnight to Zimmerman's garage called Milleson out to a cross road five miles east of town to pull an auto out of the mud. Milleson found the auto unable to get the machine out of the mire and brought the men to Gresham. They were anxious to get to the dance on the fair grounds but the dance was over and they were left at the fountain.

Word came to Mr. Zimmerman two days later that the auto was still in the mud up to the axles and he located the owner by the license number which was 3764. Its owner Claude Strar reported that it had been stolen from the front of a theater and it was towed out of its resting place and sent home.

The two young men have not been located yet.

WILL INVOKE TRUANCY LAW

County Superintendent of Schools A. P. Armstrong announces that the compulsory education law will be strictly enforced throughout the school year on which we have just entered. Teachers have been provided with blanks for reporting cases of truancy to his office, and will doubtless carry out the requirements of the law in this respect. In fact, it is a matter of "must" with them, as it is with every one else connected with the schools.

Two or three cases of truancy have been reported to him since the opening of schools on September 1. Each one will receive immediate and vigorous attention. He says the law will be invoked, and that promptly.

OUT ALL NIGHT WITH BROKEN LEG

Word was received yesterday that Mrs. Lyde Dickenson, sister of Mrs. E. L. Thorpe, met with a peculiar accident at her home near Yacolt, Washington, about two months ago which laid her up in the Vancouver hospital for seven weeks with a broken leg.

She was leading a calf to the pasture late in the evening and stumbled over an obstruction in her path which threw her to the ground with a broken leg. No one saw the accident and she was unable to get help until next morning when she was found and cared for. After seven weeks in the hospital she has been taken home and is rapidly recovering her accustomed vigor.

NEW TIME CARD CHANGES SCHEDULES

A new time card for the O. W. P. and Mount Hood divisions of the P. R. L. & P. Co. goes into effect next Sunday. Several important changes have been made in hours of arrival and departure of trains and one train has been taken off the Mount Hood line.

Trains for Portland over the O. W. P. will leave as follows:

12:30 a. m., 2:04 Sunday only, 5:49, 7:45, 9:45, 10:45. The afternoon and evening trains will leave at 12:45, 1:45, 2:45, 4:45, 5:45, 7:05, 7:15, 9:15, 9:45 and 11:45.

There will be seven trains for Cazadera leaving here at 12:30, 7:45 and 11:45 a. m., and at 3:45, 5:45, 6:35, 7:45 p. m. This would indicate that the trains between Portland and Cazadera will pass each other at Gresham instead of Linneum as in the past.

Over the Mount Hood line there will be only three trains to Portland at 8:30, 11:40 and 3:45. For Bull Run they will leave here at 5:43 and 9:50 a. m., and at 1:50 and 7:00 p. m.

There is no information as to any changes in the time out of Portland, but several changes have been made on the Montavilla-Troutdale branch.

UNION HIGH SCHOOL FOR EIGHT DISTRICTS

The school board of Gresham district met last night and started a movement for a union high school to embrace eight districts. It is the intention to initiate the consolidation for this district and the other eight for high school purposes only, with the school to be located in Gresham.

The other seven districts to be included are Powell Valley, Beaver, Rockwood, Lynch, Terry, Pleasant Valley and Hillsview.

The school board went to Portland today to consult with Superintendent Armstrong in the matter, and arrange for a legal way of conducting the vote.

EXCLUSIVE.

A small boy who was sitting next to a very haughty lady in a crowded omnibus kept on sniffing in a most annoying manner. At last the lady could bear it no longer, and turned to the lad.

"Boy, haven't you got a handkerchief?" she demanded.

The small boy looked at her for a few seconds, and then, in a dignified tone, came the answer:

"Yes, I have; but I don't care to lend it to strangers."

ENCOURAGEMENT.

A gang of laborers was employed digging a mysterious ditch across the street. It was a sewer or a place to put a gas-pipe, or something. One man in particular was working as if he were a chorus man in a play, just going through the motions and pretending to dig a ditch. The foreman came along and spoke to him.

"Don't be afraid," he said, with rich sarcasm. "Lean on th' shovel now an' th'n. If it breaks I'll pay for it."

WAR IS HE—AVEN.

To arms! To arms! The damsel cried.

A patriotic girl was she. To arms is right, the youth replied.

Awhile his features flushed with glee.

And that's my limit too, he said.

Not for a second did he doubt her,

But swiftly to her side he fled

And straightway wrapped two arms about her.
