TWO VICIOUS MEASURES

Continued from page 1
East Side extending over a period of about a year and involving an outlay of about \$2000. Included in the plan is the purpose to interest every business man and firm on the East Side in the general development of that district. A progressive slogan will be adopted and placed in every business house in East Portland. It is expected to have the details of the publicity plan worked out by next Tuesday when a special meeting will be held to further consider it. At the meeting Thursday night sixteen members were received, making a total of forty-five new members received in one month, part of the 500 sought.

At the meeting of the Milwaukee Commercial club Monday night a communication was received from the State Railroad commission stating that the commission had decided against the petition for a second stop in Milwaukee on Washington street by the Oregon City cars. The reason set forth is that Milwaukee had been granted a 5-cent fare to and from Portland, and that the stop at Washington street would be beyond the 5-cent fare limit. John M. Snyder and G. C. Pelton, candidates for the office of mayor of Milwaukee, appeared before the club and explained their attitude on city questions if elected. Both said they would enforce existing laws regarding saloons as expressed by the people of Milwaukee in favor of a 'wet' town and would encourage improvements. The club decided to apply to the city for the use of the new fire station erected in Minthorne as a place of meeting in future.

Herman Leoding filed his petition to become a candidate for the nomination of mayor of Milwaukee, his petition being signed by Mayor E. T. Elmer, ex-Mayor Philip Streib and others. His slogan is, 'I stand for the progressive upbuilding of Milwaukee.' The other candidates for mayor are J. M. Snyder and G. E. Pelton. William Shindler has withdrawn in favor of Snyder. Other candidates are: Charles Counsell, Mrs. Maggie Johnson and Roy McIntyre, for councilmen-at-large; 1st ward—John Bond, Edward Bowen, Fred Peiper and Claude Peery; 2d ward—William W. Warren, Leo Shindler, W. W. Grasse and J. Hadden; city auditor, David R. Mathews; city treasurer, Dr. W. R. Taylor. All candidates must file their petitions by Saturday, which is the last day before the city primary Monday, November 2.

A Few Words About Prescriptions

Your doctor fights disease with medicine. If the medicine is not right, he cannot conquer disease. If the druggist does his duty the medicine will be right, and your doctor will stand a fair chance of winning the victory.

In no other branch of the Drug Business should the details receive more care and attention than in the prescription department. Every detail there is important.

We realize this fact and make thoroughness a feature of our prescription case.

Every Prescription dispensed at this store has the personal attention of the proprietors.

We use only the PUREST and BEST DRUGS obtainable and our prices are guaranteed lower than any place in the city.

Gresham was shocked, and amused Friday when it read in the Outlook that Gresham was to have another local option election this fall. Shocked, because it was believed that our local option law was for not less than two years (which is correct); and amused, that anyone living in Gresham should think the business men and people were ready to vote saloons back.

The item, which was an error and should have said "Troutdale," was copied from a Portland daily.

The Gresham W. C. T. U. recommends "Dry town" and hopes Troutdale will succeed in outlawing the business that is disgracing their fair community.

Don't miss the W. C. T. U. meeting Thursday at the library. All ladies welcome.

Remember "332" is the number to vote if you want prohibition and don't let bad weather keep you from the polls.
