**Get Your Canadian Home from the Canadian Pacific**

**D**ON'T waste your time and money on worn-out land that is high-priced simply because it was once worth its present price! The richest virgin soil is waiting for you in Manitoba—and the Alberta-Saskatchewan district. You can buy it for practically the same price per acre that the mere manning per acre of soil in many parts of the U. S. costs! Fertile Canadian West offers you not only soil of wondrous productivity, but it also offers you a splendid climate, churches of all creeds, splendid public schools, exceptionally good markets, fine hotels and transportation facilities that are unequalled.

We have a truly splendid proposition to make to any earnest farmer or to men who wish to farm and who are sincere in their desire to settle in this country. We actually are in a position to enable you to own 10 acres for every acre that you now own or farm—and every acre here will produce double what a worn-out acre produces anywhere. On top of that, we give you

**20 Years to Pay for It** You gain the land for from \$11 to \$30 per acre. In irrigation districts the price is from \$35 to \$45. You pay merely one twentieth down. The balance is split up into 19 equal payments. The farm will more than meet the payments and your family's living expenses. Canadian Pacific farms pay for themselves over and over again before the time the last payment falls due. We can refer you to scores of farmers who paid for their farms with the proceeds of just one crop!

**You Are Loaned \$2000.00 to Pay for Farm Improvements!** Here is land adapted to grain growing, to poultry raising, dairying, mixed farming and to cattle, hog and sheep raising. You decide for yourself what kind of farming you wish to follow. The Canadian Pacific helps you select the land best adapted to your purposes. And then, if you so desire it, we arrange to have

**Your Farm Made Ready by Experts** Write us a letter and tell us an expert on the case and select the farm that will exactly suit you—the one that you can farm to most advantage to yourself! Let us tell you about the 400,000,000 bushel crop in Canada this year!—Write for Handsomely Illustrated Books, Address

**BORROW THIS CAR FOR A YEAR**

A full year's use at practically no cost — perhaps you've never thought of it in this way before, but it's a fact nevertheless that today you can buy a re-built Winton and after using it for a full season sell it without a cent of depreciation.

It's like borrowing a car from your friend for a year and returning it to him after using it for 265 days.

Every traded-in Winton Six—many of them come to us in part-payment on new models each year—is given a thorough overhauling in the Winton shops and brought up to the regular Winton standard—fine six-cylinder self-cranking automobiles.

These in turn are disposed of to our rapidly increased list of "used" car customers at exactly the price allowed for them when taken in exchange.

In this way the buyer is able to pick up a Winton Six at about half the cost of the same car new and is fully protected by the company's guarantee that it will give the satisfaction for which Winton Sixes are famed. Let us send you today our latest complete bargain list.
