GOVERNOR WEST IN GRESHAM TONIGHT

Governor West is billed to speak in Metzger's hall tonight. He probably comes here in the interests of Senator Chamberlain and C. J. Smith, whom he is endeavoring to elect as governor to succeed himself.

He will be accorded a respectful hearing and will have a large audience to receive him, befitting his position as governor of the state.

That he can make any converts is doubtful, but to those who believe as he does his visit will be an inspiration to do and to dare anything in the interests of democracy as he interprets it.

"Oregon Dry" Meeting.

A full house greeted "Dynamite Adams" at the Methodist church Sunday evening. The occasion was a union meeting of the churches in the interests of "Oregon Dry." The speaker told of the utter failure to regulate the saloon and asserted that the forces of morality would not stop short of its extermination. "That the saloon has no inherent right to exist; has been established by the supreme court of the United States," said Mr. Adams. "It exists only by the tolerance of the people. It is directly opposed to the life, liberty and happiness of the people."

A Few Words About Prescriptions

Your doctor fights disease with medicine. If the medicine is not right, he cannot conquer disease. If the druggist does his duty the medicine will be right, and your doctor will stand a fair chance of winning the victory.

In no other branch of the Drug Business should the details receive more care and attention than in the Prescription department. Every detail there is important.

We realize this fact and make thoroughness a feature of our prescription case.

Every Prescription dispensed at this store has the personal attention of the proprietors.

We use only the PUREST and BEST DRUGS obtainable and our prices are guaranteed lower than any place in the city.

Why Not Publish It
When you want a fact to become generally known, the right way is to publish it. Mrs. Joseph Kallans, Peru, Ind., was troubled with belching, sour stomach and frequent headaches. She writes, "I feel it my duty to tell others what Chamberlain's Tablets have done for me. They have helped my digestion and regulated my bowels. Since using them I have been entirely well." For sale by all Dealers.
