"The Linotype Way is the Way that Wins."

Official paper of the Town of Gresham, Oregon.

Official paper of the Town of Fairview, Oregon.

Entered as second-class matter March 3, 1911, at the Postoffice at Gresham, Oregon, under the Act of March 3, 1879.

SOME DISCREPANCIES.

Glaring inequalities have been found in some of the property valuations as marked on the school district maps sent out by the county assessor. In at least one instance over near the Base Line the valuation fixed on two almost identical tracts is shown in the varying sums of \$116 and \$294 per acre. Other differences have been noted where there should be none, or at least very little. Mr. Reed has requested complaints; and if there is a wholesale examination of the maps he will get them in plenty. In justice to the assessor it should be said that he is trying to equalize valuations and assessments, which is the reason for his sending out the maps. He is not responsible for former jumbles and is trying to correct them.

Those Base Line people won a victory when they prevented hard surface on that thoroughfare. They are to be punished now by seeing the improvements going elsewhere until their turn comes. But then they said that the Base Line was good enough for the farmers.

The strict censorship, in England especially, is the cause of the lack of volunteers for the war. The young men are not fired to patriotism simply because they don't know what is going on at the front. Try to imagine such a state of affairs in this country.

Scientists tell us that the army worm is the larvae of a noctuid moth called leucarnia unipaureta. Now we will know what to do next year when the said army begins its invasion. Perhaps this exposure will scare it off.

Congress will be in session in a few days. Watchful Waiting Woodrow Wilson will deliver his annual message and will probably recommend pink pills for pale politicians instead of commissions for lame ducks.

Current magazines are filled with calamities happening in Europe. After the war is over the calamities will all happen to the magazines, or the readers, we don't know which.

"Women as they pass" is the headline over a fashion article in an eastern paper. Why don't they give the women the ballot; then they will order things up?

The distillers have promised to reduce the output of whisky the coming year, 20,000,000 gallons. Was that the consumption in Oregon and Washington?

In order for a fellow to come back he must needs have gone somewhere. Teddy didn't get there so he can't come back.

All laws to interfere with industries were snowed under and should be kept under by the coming legislature.

Great flocks of snowbirds, unwelcome harbingers of winter, are to be seen. They presage something.

Salem Insane Asylum asks \$774,711 appropriation, or \$169,353 more than for present biennial period.

The present session of congress should be devoted to saving the timber in the Baltimore platform.

Roosevelt is seemingly desirous of returning to the fold, but somehow the fold don't want him.

The new fashion in men's trousers prescribe cuffs, but what about those that lap over into 1915.

Mayor Vincent and a committee are working for a municipal water plant at St. Johns.

Silverton Interurban Telephone Co. has been granted right to increase its rates.

Marion and Polk counties will build a \$225,000 steel bridge at Salem.

Klamath Falls and Eugene are fighting for lower tax levies.

PIANO CONTEST IS NEARING ITS END

Three weeks more will be allowed the contestants in the piano contest to get votes, and then will come the final awards.

Next Monday evening the last weekly prize will be given, to be followed the next week with a special premium from the Pulfer Mercantile Company. After that another week will be allowed in which to rustle new votes or deposit those being held out.

The last count will be made on Monday evening, December 21, just in time before Christmas.

It is known that many votes have been withheld and there may be some surprising changes in the list as it now stands.

The following is the list and standing of the contestants:

Miss Gertrude Eastman.....	373255
Mrs. S. G. Carrell.....	317078
Miss Gladys Miller.....	195589
Mrs. C. A. Hoffman.....	139568
Miss Frances Bliss.....	91596
Jennie Lind.....	43845
Mrs. J. McKinney.....	41592
Miss Georgina Hamlin.....	32632
Miss C. H. Halle.....	18808
Miss Iris Gullikson.....	16523
Miss Alice Roberts.....	18840
Miss Lulu Nystrom.....	10800
Miss Ethel Merrill.....	7665
Miss Gladys Lumsden.....	7090
Mrs. W. H. Sanford.....	7000
Mrs. Alonzo Radford.....	7000
Mrs. Lulu Strebin.....	7000
Mrs. Iva Robertson.....	6300
Miss Henrietta Wiles.....	5795
Miss Nellie Paris.....	5300
Miss Maude Michel.....	4500
Mrs. Grant Shaw.....	5050
Mrs. Robert Lansdown.....	5100
Mrs. J. Cavanaugh.....	4200

Mrs. Ed. Hamilton.....	2700
Miss Reta Burch.....	2110
Miss Miriam Brown.....	2010

CABBAGES SHIPPED BY CANNERY ASSOCIATION

The Gresham Fruit Growers' association has succeeded in placing a carload of cabbages, which will be shipped on Wednesday from Troutdale to Walla Walla. The demand for cabbages has been light and much satisfaction is felt by the members of the association in this shipment. No other orders are in sight at the present time.

A car of ground feed is now on the track, containing 20 tons of shorts and bran for local dairymen who have ordered it through the Fruit Growers' association and a car of alfalfa hay is en route. Other orders for feed are being taken which will be shipped as soon as sufficient orders are in.

The farmers and dairymen in the vicinity are finding it to their advantage to do business through the association. All members have the privilege.

RURAL CARRIERS AT OREGON CITY

When two rural letter carriers of Gresham went to Oregon City on Sunday last they met a live bunch of about twenty more from Multnomah and Clackamas counties. Those from here were L. P. Manning and William Childers, accompanied by J. H. Schram of Fairview.

There was no business done at the meeting. It was just a get-together affair, but it was decided to form a tri-county organization to include Washington county, at a meeting to be held in Milwaukie on Sunday, May 9.

SEE THE LATEST WAR NEWS

The people of Gresham will have the same privilege of seeing the greatest medium of current events of the world as the people of the largest cities.

Starting Friday, December 4, the Gresham Picture Show will run the latest "Pathe News", or what is known as the only genuine picture news of the European war.

There is a full thousand feet in each reel. This is run in addition to the regular Friday program, and only run Friday nights.

The O. W. R. & N. railroad shops and terminals are to remain at the Dalles and will be enlarged to become the leading industry.

Sick Headache. Sick headache is nearly always caused by disorders of the stomach. Correct them and the periodic attacks of sick headache will disappear. Mrs. John Bishop of Roseville, Ohio, writes: "About a year ago I was troubled with indigestion and had sick headache that lasted for two or three days at a time. I doctored and tried a number of remedies but nothing helped me until one of those sick spells a friend advised me to take Chamberlain's Tablets. This medicine relieved me in a short time." For sale by all Dealers.

STATEWIDE SANITATION

Continued from page 1

\$191,712. The district, all of which was hard-surfaced, includes East Salmon from East Tenth to East Fourteenth; East Taylor from Union avenue to East Ninth street; East Yamhill from Union avenue to East Eighth street; Belmont from Union avenue to East Tenth street; East Alder from Union avenue to East Seventh and from East Tenth to East Twelfth; East Washington from East Eighth to East Twelfth; East Stark from Union avenue to East Twentieth; East Seventh from East Stark to East Oak; and East Main to Hawthorne avenue; East Eighth from Hawthorne avenue to East Morrison street; East Ninth from Belmont to East Morrison; East Yamhill from East Twelfth to East Fourteenth; East Eleventh from Belmont to East Oak; East Seventh from East Salmon to East Alder; East Tenth from East Alder to Belmont; East Twelfth from Hawthorne. This district is about one half the work done in Central East Portland, which includes the filling of Hawthorne ravine.

MISSIONARY MEETING A SUCCESS

The thank offering of the Women's Home Missionary society was held at the Methodist Episcopal church last Sunday evening and was a most interesting event. Besides the fine program of music, the audience was treated to an earnest and eloquent address by Mrs. M. C. Reed of Portland, who is connected with the Portland Industrial Home, and who gave a description of her study of home missions in connection with her trip to the national convention of the Home Missionary society. A generous thank offering was received to be used through the channels of the society.

The local society is preparing to pack the usual barrel to be sent to the Portland Industrial Home, one of the institutions which the society is helping to support.

Anything in the line of fruits, jellies, vegetables, or clothing for use in the home or for distribution among the needy in their district would be thankfully received.

A special request has been made for any sort of bedding the need is so great. Any not having bedding to contribute, but having large pieces of cloth, old pants or skirt cloth for instance, are requested to bring same to the next meeting of the Home Missionary society next Wednesday, December 9 at the home of Mrs. C. M. Zimmerman, where machines will be on hand to sew them up into some sort of covering. The larger the pieces the better as the comforters will be for warmth not looks.

Articles for the barrel may be sent to the Gresham Garage any time this week.

The society requests information concerning any families in the community whom they might assist before sending the supplies to Portland.

Lumbermen of the Pacific Northwest have been asked to bid on railroad ties for the Orient aggregating 9,000,000 feet, and with orders for the same material coming from Europe, it is expected the millmen of this territory will be right in line for their share of the anticipated good times.

MAKE LIFE IN SUBURBS
Continued from page 1
000 is invested, exclusive of the land where the plants are located. Speaking of how the paved roads had made auto-trucking cheap in getting fruit and farm products to the association's packing plants and canneries. Senator Paulhanus cited that up to November 10 of this year the association had paid the older railroads \$131,553.56 for freight on berries shipped from Puyallup and \$25,119.34 for shipments from Sumner to inter-mountain and Eastern markets, besides to the Puget Sound and Portland markets. About \$20,000 had also been paid the Milwaukee railroad. He mentioned this to show that if the railroads lost local traffic because of the competition of the motor trucks, they more than made up the deficit from long haul on the large shipments to outside markets. "To show the increase in value because of adequate roads and approved methods of marketing products, I bought my farm of 55 acres 12 years ago for \$100 an acre," said Mr. Paulhanus. "It was mostly cleared land. My farm is now worth \$1500 an acre. I have specialized in growing berries by fertilizing heavily and clear \$250 to \$300 yearly per acre. This industry will develop more in the next five years than it has in the past 25, mainly because of having paved county roads. Most of the berry producers have tracts from one to five acres, with a home on each tract." The effort will be made to revive some of the bills in the legislature that were defeated at the polls.

Bids are to be taken December 15 on the Portland Million Dollar postoffice.
