FRUITGROWERS MEET MONDAY, JANUARY 11

On account of the war tax of 10 cents on each proxy, it is urged that all stockholders of the Gresham Fruit Growers' association be present at the Gresham Grange hall next Monday at 10 a. m. While proxy blanks have been sent out with the notices of the meeting they should be used only in case of very urgent necessity.

It is suggested that any who cannot be present send in their proxies to the secretary or by any member who will attend so that they could be used in case needed to make up a quorum. It will be necessary to have nearly 200 shares represented in order to transact business.

This will be the first general stockholders' meeting and in view of the importance of the affairs of the canneries at this time no one should fail to attend as the future existence of the G. F. G. A. depends largely on this meeting.

"Hogpen" lunch served at noon.

By order of the Board of Directors.
