SERMONS PREDICT END OF THE WORLD

The Signs of the Times was the subject last night at the revival services in the Seventh-Day Adventist church at Gillis. The evangelist read a scripture stating that in the last days scoffers would come, and inasmuch as the world is filled with scoffers we must be living in the last days. Another scripture speaking of rich men heaping up treasures in the last days was read. We have reached a time in the world's history when two men control one-third of the active wealth of the United States.

In 1830 John Jacob Astor was the only millionaire but now there are over 6000 millionaires heaping together treasures for the last days. In the days of Noah, before the flood and the time of Lot before the destruction of the wicked cities of the plains, we observe the prevalence of wickedness and licentiousness which Jehovah says in the Bible will characterize the last days. There will be wars and rumors of wars leading up to the last and awful battle of Armageddon. In 1 Thess: 5, the world is described as saying peace, peace, when there is no peace, and then sudden destruction cometh upon them and they cannot escape for the end is at hand. The prophecy of Nahum, 2:3-5, mentions the railway trains, electric cars, and automobiles running through the streets as lightning just before the end in the time of God's preparation. Calamities such as earthquakes, famines, pestilences, would occur more frequently and with greater destruction. The increase of knowledge would be seen in the last days, and never before has such wonderful inventions been produced as in the last half century, evidencing the fact that the last days are at hand.

As a test of true christianity and discipleship Jehovah calls for one and all of His children to keep His commandments, even as Jesus our Saviour kept them, and thus abide in heaven keep His commandments and so excel in strength.

As a consideration of the Sabbath has been called for, Evangelist Catlin will present the subject of the Old Testament Sabbath on Tuesday evening, January 26th, and the New Testament Sabbath Thursday even-

ing, the 28th, and the Mark of the Beast Sunday evening, the 31st. Do not fail to hear these subjects presented.

CANNERS WANT WAY OPEN FOR PRODUCTS

The Northwest Canner's association, of which the Gresham cannery is a member held its annual meeting at the Imperial hotel in Portland on Saturday and voted to ask the Congressional delegations of Oregon and Washington to work for the establishment of reciprocal tariff relations with South and Central American countries and establishment of banking facilities conducted under the supervision of our Government.

The association also is working on a system of sanitary regulations and inspection which it hopes to see enacted into law to govern the operations of fruit and vegetable canneries.

The association was organized only a year ago, but it now includes in its membership all the independent fruit and vegetable canneries in Oregon and southwest Washington.

The following officers were elected for the year: president, J. O. Holt, of Eugene; vice president, J. W. Chambers, of Newberg, and secretary treasurer, H. C. Atwell, of Forest Grove.

UNION HIGH SCHOOL TO HAVE NEW TEACHER

Gresham High school will enter its second semester next Monday and to signalize the event the newly elected Union High School Board will take over the management from the Gresham school district.

It has been decided upon by the Board to employ another teacher by that time if one can be found. The Normal school at Monmouth has been appealed to but no teacher is to be had from there. It is thought that one can be found in Portland.

STATE SHOOT WILL COME TO JENNE

At a meeting of the directors and officials of the Oregon State Trapshooters' association, held in Portland, Saturday night, it was decided to hold the 1915 Oregon state shoot at Jenne, under the auspices of the Portland Gun club.

This is one of the most important events of the year in shooting circles, and several other clubs were trying to land it. Last year the state shoot was held in Salem.

In all probability the shoot will be held in August although it is optional with the local organization. This makes two big events the Portland Gun club will stage this season, as it has also landed the Northwest shoot, the date of which has not been set as yet.

Oregon and the Ferris Bill.

The Ferris bill that has passed the lower House of Congress and is now before the Senate proposes to give the Secretary of the Interior control of all power development within the states and part of the revenues from our water powers.

It is the extension of Pinchotism, and further conservation of the natural resources to hamper development of the great states of the northwest and keep them out of the manufacturing business.

Oregon has been covered with forest reserves, has been tied up in federal litigation over land grants, and is already hampered by conservation of its water powers, so that the state has not much to give away to the federal government.

Not one dollar in ten that is obtained from sale of public lands and conservation policies ever gets back into the state for reclamation purposes, and instead of extending Pinchotism the people are prevented from settling and developing the state and are crying out to be relieved from what we already have.

HURLBURT

In about four more weeks the high school will be finished at which time there will be a big celebration. The county superintendent will be out and there will be a very big program and exercises suitable to the occasion. The heating plant is nearly installed.

The family of Prof. A. R. Tolefson has moved into the R. T. Tea house. Roy Emily is graveling his private road so he can get out with his auto in bad weather.

A party was given on John Thompson in honor of his birthday last Friday. All present had a good time.

S. M. Davis fell about twelve feet last Thursday while climbing into the hay loft. He bruised his leg very badly and has been laid up ever since.

Multnomah Grange Installation.

The officers of Multnomah grange were installed by T. J. Kreuder of Lents grange and are as follows: R. I. Anderson, W. M.; J. S. Albel, overseer; Mrs. J. C. Duke, lecturer; M. H. Wheeler, steward; Bertha Ault, assistant steward; Cora Carrell, chaplain; J. C. Duke, treasurer; C. M. Lake, secretary; Chas. Wheeler, gatekeeper; Ruth Wheeler, Ceres; Agnes Larsen, Pomona; Valberg Larsen, Flora; Florence Rodgers, L. A. steward; Katie Anderson, organizer. At the close of installation Mr. Kreuder gave a very interesting talk along the lines of grange work.

Two candidates were instructed in third and fourth degree work and five new applications were presented.

SCENIC

James Bell, of Sandy Ridge, was a guest one day last week of J. R. Duncan, an old time neighbor.

Mrs. Hattie Westell was a guest last week of Mrs. D. D. Jack, shaking hands with old time friends, combining business with pleasure.

Mentes Bower and family, who have been with relatives for more than a year past, have returned to their old home in Missouri. Mr. Bower, who is a son-in-law of Frank Eder, came to Oregon for his health and returned east greatly improved.

Mrs. J. R. Duncan was a Portland visitor Thursday.

Mr. and Mrs. Wm. Byers spent several days in Portland last week.

COTTRELL

Mrs. Frank Westell, of Gresham, and Mrs. D. D. Jack, of Scenic, were guests at the home of Mr. and Mrs. Frank Beers Friday.

Carl Goger spent the week-end with his grandmother Mrs. Clara Kane of Gresham.

Mr. and Mrs. James Spiers left last week for Seattle, where they will visit Mrs. Spiers' sister.

Mr. and Mrs. John Wicks, of Lusted, and Genevieve Manary, of Gillis, were the Sunday guests of Mr. and Mrs. Wm. Craswell.

Cough Medicine for Children.
Never give a child a cough medicine that contains opium in any form. When opium is given other and more serious diseases may follow. Long experience has demonstrated that there is no better or safer medicine for coughs, colds and croup in children than Chamberlain's Cough Remedy. It is equally valuable for adults. Try it. It contains no opium or other harmful drug. For sale by all Dealers.

How to Help State Industries.

Some politicians can think of nothing but passing new labor laws, or taxing banks or corporations or industries.

Some can think of nothing but appropriations for boards and commissions, and creation of new offices by law.

The state Mining Bureau and Geological Survey wants \$50,000 and that would not be so bad if industries resulted.

But with the Blue Sky law hampering mining operations, and refusal of the state to use Oregon stone on public buildings, what is the use?

If the state architect and state boards in charge of public work would co-operate and help use Oregon building material, the investment of \$50,000 in a state mining bureau might not be so bad.

There is no co-operation on the part of officials to boost Oregon industries when public money is expended, but they all co-operate when it comes to boosting appropriations.

Here is a pointer for some of those who want big appropriations—Oregon is loaded to the guards with officials and commissions and is weak in industries and loyalty to real Oregon interests.

You can't be happy unless you make others happy.

MELROSE

Mr. and Mrs. Chas. Tallman entertained Rev. Mr. Anthony and Rev. Mr. Gillihan for dinner Sunday.

Mr. and Mrs. Chester Stafford entertained Miss Ethel Wood Sunday afternoon.

The young people's Sunday school class will meet Wednesday evening at the home of I. T. Wood for the purpose of organizing their class. All those interested are invited to attend.

The bridge near J. C. Duke's is being repaired. No heavy loads are allowed to cross.

Theo. Mercer has a sick horse. A veterinary has been called.

Mrs. E. A. Stafford, who has been visiting in Gresham for the past month, is at home again.

J. H. Wilson was a visitor Monday at the home of Rev. J. H. Wood. A very nice visit was enjoyed by both.

Mrs. A. B. Conrad's nephew and wife, Mr. and Mrs. A. I. Sutter, of Beaverton, spent Sunday with them. Miss Mary Kiberly is visiting with Mrs. Conrad.

William Fritz spent Sunday in Portland visiting friends.

Thomas Buoy spent Sunday afternoon with Lester, Percy and Orin Conrad.

In spite of the cold weather a good many attended church and Sunday school Sunday. Rev. T. J. Anthony, our new pastor, was here and preached a fine sermon. Rev. Mr. Gillihan also was here for the day. Services were announced for next Sunday at 11 o'clock. Sunday school at 10 a. m.

Rev. J. H. Wood, who has been sick with the la grippe, is improving.

Capt. and Mrs. C. O. Branson, who have been conducting revival meetings near Eagle Creek, have returned home.

Miss Ethel Wood has successfully passed the teachers' examination and expects to teach next fall.

An invitation has been extended our former teacher, Miss Frances L. Turner, to join the choir of several hundred voices, which the Rosarians will send to the Panama Pacific Exposition. Miss Turner has accepted the honor. Her Melrose friends wish her a pleasant trip.

Mrs. I. N. L. Shriner was a Portland visitor last week.

AMERICA'S PRAYER TODAY.

Tune—"America."
Lord, hear our prayer today,
As fervently we pray
God bless our land!
As hearts begin to dread
Lest war's dark cloud may spread
And break upon our head,
Hold Thou our hand.

Give to our President
Wisdom divinely sent,
We truly pray:
Our Father, grant that he
May know assuredly
That Thou wilt with him be,
From day to day.

Lord may our nation show
To others here below
That we are Thine;
Not seeking selfish gain
At cost of others' pain;
But striving to attain
Virtues divine.

No other power but Thine,
Supreme because divine,
Can bring world peace;
O haste the day, dear Lord,
As promised in Thy word,
When there shall be no sword,
But wars shall cease.

O God, we pray that we
Thy guiding hand may see,
For Thou dost lead;
May we live true to Thee
And to humanity;
Thus will our destiny
Be bright indeed.

JUNIOR PLAY

FEBRUARY 20

The Gresham High school juniors will stage their class play, "Are You a Mason?" on February 20. It will consist of three acts and is now in rehearsal, with full cast and leading characters, under the direction of Professor Collins.

There might be more mince pie and fruit cake such as mother used to make if we had the old fashioned, high power dollar that father used to make.

If the lines of the hand really indicated how long a person will live, insurance people would have adopted palmistry long ago.

And many a man who is capable of giving good advice isn't capable of earning his salt.

Most of us who attempt to wear the mantle of greatness are disappointed in the fit.

Good Suggestion to Gresham People.

It is surprising the amount of old, foul matter the simple mixture of buckthorn bark, glycerine, etc., known as Adler-I-ka, drains from the system. This remedy became famous by curing appendicitis and acts on both the upper and lower bowel so thoroughly that one dose relieves sour stomach, gas on the stomach and constipation almost immediately. We are mighty glad we are Gresham agents for Adler-I-ka. Gresham Drug Company.

SEEDS AND DOLLARS

Seed that is not planted does not grow. Dollars that are not banked do not increase. No farmer is so foolish as to think that a paper bag of watermelon seeds, hanging from the rafters, will ever grow until he planted it. Yet are you not expecting those dollars in that bureau drawer will grow without banking them? Dead seeds and dead dollars bring no returns.
