

Do You Want to Stay Poor?

Get out of your head the idea that Poverty is something you cannot help. Just so long as you stick to that theory, just so long poverty is going to stick to you. People in most cases are poor because they are too indolent—too careless—too thoughtless. Sit down and figure what you are spending—and what you can do without. Not the things that cost dollars—but the articles that cost pennies. How many pennies do you waste a week? Multiply that by 52—multiply that in turn by 50. You will then get some idea of why people stay poor all their lives. Fifty years of waste will turn even a millionaire into a pauper—while 50 years of economy will make a poor man rich.

—For the pennies that are wasted are responsible for most of the misery and practically all the poverty in the world.

ORIENT SCHOOL NOTES

The second semester of high school began Monday.

Quite a number of pupils have been absent on account of sore throats.

Elsie Harris is again occupying her seat after a continued period of illness.

Cold weather is giving Principal Quicksall his share of troubles with water pipes.

The boys and girls with a very few exceptions earned exemption credits both in the grades and high school during the past semester.

In a double header game of basketball between the St. Johns and Orient high school teams on the Orient floor Friday evening, the Orient girls were defeated 26 to 1. Considering the fact that this was the first game for the Orient girls the score is not so one-sided as it looks in print. The visitors were disappointed at the results, expecting to run the score up to a high count as they have a record for so doing and a no-defeat record for the year. The game was fast and hard fought. The excellent guarding of Ruth Wheeler and Vina Anderson kept the score down. Captain McGregor threw five field and four free goals and forward; Palmer five field and two free goals for the visitors; Hilma Staffenson threw the one point for Orient.

The boys game was fast and furious. Excitement of the highest degree reigned throughout. The Orient boys were slow to get their team work started and allowed the visitors to score 22 to 17 at the end of the first half. When the whistle blew for the second period the home boys were off with a spud that their opponents were unable to cope with. When time was called the score stood tied at 26. This was played

off according to rules. The score was again tied at 27. A double foul was called by the referee Orient scored and St. Johns missed. Excitement was intense and playing of the most furious character, yet clean and in good spirits. Johanson threw a field goal which placed the score 27 to 39 in favor of the home team. Sundstrom starred for the visitors, throwing two field goals and seven free goals. Johanson was the star player of the evening, being eight times successful from the field and twice from the foul line. One point was awarded each team.

The boys line-up with points made by each follows:

Orient 30.—Stone, forward, 2; Johanson, forward, 18; Bramhall, C., 7; Proctor, G., 2; Eder, G., 7.

St. Johns, 27.—Sundstrom, forward, 11; Bugbee, forward, 4; Baybrook, 2; Teutsch, C., 4; Wrangle, G., 3; McGregor, G., 2.

Points awarded (1) to each team Officials, referee White, umpire girls' game Miss Fishwood; boys' game Quicksall, scorer Hillyard, timer Foster. The Orient boys will play the Portland Y. M. C. A. Comets on the Orient floor Friday, February 5th.

HAPPENINGS OF FAIRVIEW TOLD

Continued from page 1

his uncle John Schram of Highland, Clackamas county, and may spend the coming summer there.

From reports it is evident that active steps will be taken, as soon as the weather will allow, the finishing of the dike or roadway to the river. We have been advised that there have been contractors in the field looking over the work preparatory to submitting bids on the work and it is assured now that a roadway to the river this summer is to be a reality. It seems too good to be true after these many years of waiting. Fairview should celebrate the occasion in a fitting manner.

We are sorry to say that one of our most influential citizens is to leave us. J. P. Province having traded his cottage and lots on Harrison street to Mrs. Geo. R. Shaw, of Sunnyside district. Mrs. Shaw has been a resident of our city for years. She moved to Portland last fall that Miss Ruth might attend school. Mrs. Shaw and daughter will be welcomed back by all, especially by the leaders of our society as they are very helpful at any and all times. Mr. and Mrs. Province will be sadly missed by all.

Elder P. W. Province, who has spent the winter here, will in a few weeks return to his farm at Wenatchee, Washington. This causes regret as Mr. and Mrs. Province have endeared themselves to the hearts of all our citizens during their stay among us. He has been an ardent worker and she has assisted very materially in all choir singing as well as other work along the church line.

Mrs. Louisa Miller and daughter Alma, Mrs. Lizzie Davis, John Edwards, daughter and son, Clarence Miller and Mrs. Hellen Fisher, of Portland, were Sunday visitors at the home of Paul Fisher at Columbia View.

Otto and Ernest Whal of Columbia View entertained a house full last Saturday evening, giving an old-fashioned Swiss party, bringing back the dear old days in Faderland.

Fred Crane, Jr., returned from road last week having successfully Corvallis to his home on the Sandy passed his examinations. He will take a course in a Portland high school until fall, when he will return to the agricultural college for the winter term.

ITEMS OF INTEREST FROM MULTNOMAH CO. TOWNS

VENTURA PARK

The regular meeting of the Improvement club of Ventura Park was held Wednesday with Mrs. Frank Parent. Owing to the inclemency of the weather only a small number was present.

Howard Numan, who drives one of the milk trucks for Mr. Kiger of the Red Cross dairy, had a narrow escape from serious injury or death on Tuesday when the clutch refused to work on Portland Heights. The auto backed down the hill and over the bank near the Ford street bridge. Mr. Numan's prompt action by jumping clear of the machine as it went over was all that saved him. The auto struck a tree and stuck until it was pulled up later by cable from a garage.

MANY FAVOR SEVENTH DAY

The subject of the Sabbath question during the week was greatly appreciated by many. When the evangelist asked all who could see that the seventh day was the Sabbath of the Old and New Testament to raise their hand nearly the entire congregation testified in the affirmative. The Bible is so clear and plain that no one need be confused over the truth. The presentation of the mark of the Beast was very positive and a different fulfillment of prophecy was observed through the entire study.

At the close of the revival the sacred ordinance of baptism will be administered to those who are ready to join the church. The subject of the "Millennium" was very instructive. Evangelist Catlin referred to the parable where Jesus said that the righteous and wicked would grow together until the end of the world. The wicked would grow worse and worse through the passing years. Jesus told the disciples that He would leave them for a time but would come again to receive them unto Himself that they might be with Him in heaven during the thousand years. John 14:1-3; 1 Thes. 4:16-17; Rev. 20:4.

The brightness of His coming caused the wicked to fall in death and they live not again until the thousand years are finished, 2 Thes. 2:8; Rev. 20:5. Satan is bound in the devastated earth during the thousand years, Jas. 4:23-27; Rev. 20:1-3. When the thousand years are passed Satan is loosed to be destroyed in the lake of fire, thus bringing an end to all sin and wickedness.

Local Druggist Says: "Take Only One Dose."

We want to tell those in Gresham suffering from stomach or bowel trouble that we are agents for the simple mixture of buckthorn bark, glycerine, etc., known as Adler-ika, the remedy which became famous by curing appendicitis. This is the most thorough bowel cleanser known and just one dose relieves sour stomach, gas on the stomach and constipation almost immediately. You will be surprised at the quick action of Adler-ika.
