### LOCAL UNION HEARS ADVICE

At the regular meeting of the Gresham W. C. T. U. at the public library last week, a long letter from the state president outlining plans for work during the present session of the legislature, was read and discussed.

You will have seen that the Hotel Men's association expects within the next two weeks to secure 50,000 signatures, asking for a vote next November allowing breweries to run and hotels to serve liquor. Please get busy immediately. Telephone your friends and get them to telephone others. Talk about it. Consult your local campaign committee and, if it seems best, call a mass meeting to protest against such a measure. Above all, write and get every one you can, to write to your senator and representative protesting against another Oregon Dry election after the state has, by such an overwhelming majority, outlawed the liquor business. Please do everything you can and do it at once. We must work for a public sentiment will prevent signatures to the petition calling another Oregon Dry election.

"I trust your union will plan a special observance of Willard Memorial Fund Day, on or near February 17th. The \$2.00 Thank Offering contribution from each union is sent to the state treasurer who forwards it all to the national treasurer. This fund is used in organizing in new and needy fields in states which cannot help themselves. The rest of the collection may be kept in your union. Please see that your superintendent of Social meetings and Red Letter Days knows the amount, that she may include it in her report at the end of the year."

"February 10-17 is Membership Week. Mother National has asked her Oregon daughter to make a gain of not less than 20 per cent in membership this year. I believe we can do more than that. Please observe Membership week and let me know how great is your gain."

A committee was appointed to prepare a "Willard Memorial" program which will be published later.

Don't forget "Membership Week" February 10th to 17th. Every member is expected to get at least one new member. A prize will probably be given to the member securing the most new members.

A special car went recently from Portland loaded with members of the W. C. T. U. to the capitol at Salem, to hear the discussion of the proposed "Prohibition" law before the temperance committee.

The committee has added several amendments, making the bill decidedly more stringent than the promoters expected.

The usual wet lobby was on hand with numerous suggestions, but to their dismay, they found they were in the wrong pew. Thirty-six thousand dry majority has changed the sentiment of Oregon's legislature.

### VALUABLE COW DIES ON SLOUGH RANCH

A Jersey cow belonging to Sylvester Hall, which recently cost him \$700, died at the Hall homestead a few days ago on the Sandy road. It and another, equally valuable were being cared for by the tenant, Mr. Spence, but it succumbed to pneumonia.

Mr. Hall was beginning the foundation for a Jersey herd of top notchers, and the loss of his best cow will be a handicap to his efforts.

### Alabama Made Dry Again.

Alabama will become a prohibition state July 1, under two related measures which became law January 22d, without executive approval. Within a few hours after Governor Henderson had vetoed the bills and asked that the prohibition question be submitted to voters at a special election, both houses voted down his proposal and repassed the bills by overwhelming majorities.

The vote in the house on repassage was 73 to 29. In the senate it was 24 to 10.

The prohibition measures re-enacted the prohibition law repealed in 1911, after it had been in force two years. Under the 1911 local option law all but eight of the 67 counties voted dry.

### FOR MARRIED PEOPLE BATHES AND OLD MAIDS

An old-fashioned, old-time dance such as used to be in style when people were younger than they are now, is announced for next Thursday night at Regner's opera house.

It is to be exclusively for married people, old bachelors and old maids. Invitations have been issued for the event and only those who can qualify in either of the three classes named have been invited. The younger set, with their new fangled dances, has been ignored.

The music will be a fiddle and the piano; the dance will be arranged with three quadrilles to every round dance, and those who have forgotten how to dance will be privileged to amuse themselves at cards. It's going to be something great and those who are too young to be present will have to console themselves with the thought that they will be old folks themselves after awhile.

It contains no opium or other narcotic, and may be given to a child as confidently as to an adult. For sale by all Druggists.
