### MELROSE

An exceedingly painful and possibly serious, accident has put one of our young people, Lester Conrad, in bed for some time. In trying to put the bridle on a colt which he was breaking, the animal reared and threw his weight on Lester in such a manner as to crush him over the side of the manger. It was impossible to tell at first just how badly he was injured but he is resting easier now and it is the sincere wish of all that his recovery will be speedy. Dr. Hughes attended him.

The Royal Embroidery club, which was to have met at the home of Mrs. A. B. Conrad April 1st, will now meet at the home of Mrs. Grace Fritz. You are cordially invited to attend.

Chas. Tallman and wife were visitors at the home of Rev. J. H. Wood, Wednesday.

Basil Mercer is still on the sick list.

Come to church Sunday 11 a. m. Sunday school at 10 a. m.

Mrs. E. M. Douglass has rented her farm to several families for the summer and there are already three families living on the place. They have set up their tents and will each have some land for garden. It is beginning to look like a tent city. It seems this would be a good solution for the high cost of living as it would not only provide a part of the living but give a change which is the best and most beneficial part of a vacation. The families are from Portland and Albany.

Carl Sunderland is visiting at the home of his cousin Mrs. Chester Stafford.

Sam Strebin is having electric lights put into the house on the old home place and as soon as the work of repairing and papering the house is done, Everett Easley and family of Gresham will move in and make their home there for the summer at least.

It is with pleasure that we note the arrival of so many new families in our neighborhood and we extend them all a cordial welcome.

There will be an Easter service at the Iliff church Sunday evening, April 4th. It will be conducted by the Sunday school.

Don't forget the Scotch entertainment, which the Ladies' Aid society is arranging for the evening of April 8. It will be a splendid affair, in which some of the best Scotch talent of Portland will assist.

Dr. S. P. Bittner has moved his office to the Gresham Investment company's building over the Bank of Gresham.—Adv.

The city of Portland will manufacture concrete lamp-posts to cost \$16.

### COLUMBIA HEIGHTS

The most interesting event in the history of this part of Multnomah county was the dedication last Saturday of our high school, and we realize that it was one big step forward towards the education of the boys and girls at home. It was a beautiful sunny day and a big audience was there to listen to the speakers of the day. The program was well chosen and was carried out as announced.

The erection of the high school was a big task to undertake and the board of directors deserves much credit for their untiring labor during the construction of this building, which is handsome both inside and out, and is also finely equipped. Surely we are proud of such a school and even though our taxes have increased on that account, we hope to be repaid by being allowed to love to see the building become too small to accommodate those children who want to get an education. To the pupils of the district forming union high school district No. 1, we wish to say that we parents have done our duty towards you. Now it is left for you to do your part, study harder than ever, so that you soon will number amongst those that are enrolled in this fine schoolhouse which is the first union high school in Multnomah county.
