"Lowe Brothers Hard Drying Floor Paint is just the thing for our old floors—"

"It is easy to apply—we can do it ourselves—and so inexpensive. It wears well, too, and makes the floors much easier to keep clean, thus making them more sanitary for the children to play upon. There is quite a variety of attractive colors to choose from."

Lowe Brothers Hard Drying Floor Paint is made especially for use on floors where more expensive finishes are not desired. It dries hard enough in twelve hours to walk upon. Get a color card at our store.
